Games and Puzzles have long history spanning several centuries. Some of the earliest games like dice and puzzles like Chinese rings are played even these days. Ancient games like chaturanga have undergone several transformations before taking their present form. This book primarily deals with several new puzzles and games created by the author. An interesting variant of chess that ensures equality to white and black is described in the book. With its simple rules, it is easy to learn and play and offers many new variations in the game that are not available in standard chess. Many well-known problems like 8-queens, tower of Hanoi and knight's tour have been transformed into new forms for entertainment. The book describes more than 20 games and 120 puzzles covering a wide gamut of areas. The author presents 40 new variants of Sudoku and 19 new variants of Slitherlink, among others. Game and puzzle enthusiasts will find many fascinating ideas in the areas of chess, words, numbers, logic and several others. If you are bored with same old games and puzzles and want to try out something new, this is the book for you.

The Game Master's Book of Traps, Puzzles and Dungeons provides GMs with endless options for populating their adventures with challenging riddles, puzzles, spiked pits, Rube Goldberg-style deathtraps and much more - everything they need to push player character to their limit and bring new levels of excitement (and anxiety) to their game play. Whether part of a pre-planned adventure or a random encounter, these brain teasers, puzzles and traps will make every dungeon crawl, fortress break-in, or temple sacking that much more fun. GMs will find more than 100 challenging puzzles, 150 unique traps and 50 modular dungeon chambers, each with its own set of possible encounters, meaning GMs can generate a fully-functional (or completely dilapidated) dungeon in a few rolls of a dice. With intricate technical illustrations, beautifully rendered top-down location maps and three one-shot adventures, written by RPG influencers including Jasmine Bhullar and the creators of the Three Black Halflings podcast, The Game Master's Book of Traps, Puzzles and Dungeons is the ideal tool for any GM hoping to put the fun back in fun-geon*. *not a word.
