The bestselling holy grail of trading information-now brought completely up to date to give traders an edge in the marketplace " Sound trading advice and lots of ideas you can use to develop your own trading methodology. " -Jack Schwager, author of Market Wizards and The New Market Wizards This trading masterpiece has been fully updated to address all the concerns of today's market environment. With substantial new material, this second edition features Tharp's new 17-step trading model. Trade Your Way to Financial Freedom also addresses reward to risk multiples, as well as insightful new interviews with top traders, and features updated examples and charts.

Algunos traders se pasan la vida intentando desolfrar el código secreto que les hará ricos negociando en los mercados. La lista publicada de estrategias es ilimitada y abarca desde las señales de entrada con alta probabilidad de éxito hasta las rupturas de volatilidad, pasando por los sistemas de trading ajustables a cada tipo de mercado, etc. ¿Pero es concebible que exista un sistema accesible a todos y que dé a cada trader un control permanente de los mercados? En su obra Tener Éxito en Trading, el que está considerado como el instructor de trading más famoso de los Estados Unidos, el Dr. Van Tharp, nos explica que ese Santo Grial no hay que buscarlo en un sistema de trading mágico que genere soberbios beneficios con un riesgo mínimo. Por el contrario, las investigaciones del Dr. Tharp muestran cómo las interrelaciones entre el estilo de inversión de cada trader, su personalidad y sus objetivos (combinados en un sistema desarrollado y ensayado cuidadosamente) son los ingredientes claves de ese éxito.

In der lang erwarteten zweiten Edition präsentiert Van K. Tharp sein bewährtes 14-Schritte-Modell zur Entwicklung eines profitablen Tradingsystems, das in jeder Marktsituation Gewinne generiert. Mit aktuellen Charts und neuen Beispielen überarbeitet, beinhaltet dieses Buch völlig neue Informationen zu langfristigen Bullen- und Bärenmärkten und zur richtigen Evaluierung von Tradingsystemen. Dabei erklärt Tharp eingehend die Konzepte zur Bestimmung von Positionsgrößen und Erwartungswerten – zwei wesentlichen Aspekten für erfolgreiches Trading. "Clever traden mit System 2.0" ist ein Buch, das auf die Performance des Traders ausgerichtet ist. Van K. Tharp zeigt, dass der sprichwörtliche Heilige Gral an den Finanzmärkten faktisch nicht vorhanden ist und die wirklich erfolgreichen Trader individuelle Erfolgsstrategien verfolgen. Der Autor vermittelt dem Leser das nötige Know-how, um den eigenen Tradingstil mit seinen Zielen und seiner Persönlichkeit zu kombinieren und so ein System zu entwickeln, das ihm wie auf den Leib geschneidert ist.

Presents a strategy for successful horse race wagering that is based on choosing good horses, making intelligent bets, and keeping accurate records

Providing winning strategies for the horse player as an investor, Mitchell's book demonstrates why money management is a needed accessory at the track and on Wall Street.
