Rodrigo: Concierto de Aranjuez - Villa-Lobos: Guitar ...

The writing of the Aranjuez was sparked by a dinner in Santander in September 1938, a pleasant evening shared by Rodrigo, guitarist Regino Saínz de la Maza, and the Marqués de Bolarqué. During this occasion, it was suggested Rodrigo should compose a guitar concerto, to which he agreed. On October 11, 1943, Rodrigo wrote:

Joaquín Rodrigo: A Research and Information Guide catalogues and summarizes the musical works and related literature of Joaquín Rodrigo (1901–1999), perhaps the most important Spanish composer of concert music in the second half of the twentieth century. The guide provides annotated bibliographic entries for both primary and secondary sources, detailing several guitar concertos, concertos for flute, violin, harp, cello, and piano, as well as symphonic pieces, piano solos, chamber music, and choral and stage works. Rodrigo's reputation rests on the Concierto de Aranjuez for guitar and orchestra and its expressive middle

Twelve-tone and serial music were dominant forms of composition following World War II and remained so at least through the mid-1970s. In 1961, Ann Phillips Basart published the pioneering bibliographic work in the field.

Classical Guitarists fills a void in the special world of the classical guitar. Although this realm is inhabited by world-class musicians, much of what they think and feel has never been captured in print. The interviewees, including Julian Bream, John Williams, Sharon Isbin, Eliot Fisk, David Starobin and David Tanenbaum are a select group at the peak of their prowess who speak openly and thoughtfully about their opportunities, accomplishments, and lessons learned. Each has made important contributions from establishing significant academic programs to broadening the audience for the classical guitar. The

author shares his reviews of their most important recordings and New York City concerts during the 1990s, as well as discographies of their recordings. There are also interviews with Harold Shaw, the most prominent artist manager in the history of the classical guitar and several of today's most important composers for the guitar, including Pulitzer Prize winners George Crumb and Aaron Jay Kernis. An introductory chapter provides an historical perspective on classical guitar and a postscript explains how to create a basic repertoire of recordings.

First published in 1980, *Traditions of the Classical Guitar* has been described as the first book to examine in detail the many traditions of one of today's most popular instruments. With its central focus on Andres Segovia's pioneering work in establishing the guitar as an international

Concert instrument, it goes on to examine in detail its subsequent developments with reference to great artists such as Bream, Williams, Diaz and Yepes. Traditions of the Classical Guitar continues to be a classic of twentieth-century guitar scholarship, offering a challenging assessment to perceptions of the guitar's progress throughout the ages. It is also a timely reminder of the glorious years of Segovia's concert career between 1909 and 1987; Segovia himself said of the work: "Graham Wade has shown his love for the guitar from the first page to the last; true love and understanding";.

This book deals not only with the technical aspects of guitar technique, but also with the many psychological factors inherent to the performance of music on the classic guitar. Contains thoughts, suggestions, studies and exercises gleaned

Orchestra through personal experience in an effort to benefit the musician.

Recording the Classical Guitar charts the evolution of classical guitar recording practice from the early twentieth century to the present day, encompassing the careers of many of the instrument's most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists' recorded repertoire programmes have shaped the identity of the instrument, particularly where national allegiances and musical aesthetics are concerned. The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally.
