Confessions of an Actor: The Autobiography by Olivier, Laurence: Amazon.com: Books

An autobiography by the English actor discusses his theatrical and film career and offers a candid account of his personal life, focusing on his relationship with actress Vivien Leigh

If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill: Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

Confessions of an Actor: The Autobiography by Olivier, Laurence: Amazon.com: Books

Confessions of a Casting Director is a must-have for any aspiring actor or stage parent—the definitive guide to breaking into film, television, theater, and even YouTube from longtime casting director and studio executive Jen Rudin. Packed with information that aspiring actors want, her up-to-the-minute expert advice is essential for anyone pursuing an acting career. Jen Rudin demystifies the often intimidating and constantly changing audition process, sharing insider tips on preparing for every type of audition: musical theater, television (including commercials and reality TV), and film to voiceovers, animated movies, and even web series. In this comprehensive guide, Rudin covers everything today’s actor needs to succeed, including finding an agent or manager; using technology to your advantage; the demanding world of child acting; the pros and cons of New York vs. LA; turning a callback into an offer for the role, and much more. Every actor should walk into an audition room feeling confident and prepared, and this book is full of the Dos and Don'ts, sure-fire tricks, and must-have information to help turn rejection into that first big break. Complete with checklists, easy-to-follow game plans, and advice from real actors, agents, and entertainment industry professionals, Confessions of a Casting Director is like having your own private audition coach.

New York Times bestseller Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad’s favorite jokes about getting older was: “I went out for coffee when I was twenty-one and when I got back I was fifty-eight!” I get what he meant now. Time flies. My first book, If Chins Could Kill: Confessions of a “B” Movie Actor, was published back in 2001 and it chronicles the adventures of a “mid-grade, kind of hammy actor” (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an “Act II” if you will, could be considered my “maturing years” in show business, when I began to say “no” more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from Evil Dead to Spider-Man to Burn Notice was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you’ll come along for the ride. – Bruce “Don’t Call Me Ash” Campbell

Confessions of an Actor: The Autobiography by Olivier, Laurence: Amazon.com: Books

A story about an actors path through life, and how he finds himself at a remote location in Denmark

The best-selling memoir Confessions of a Kamikaze Cowboy tells the fascinating story of actor Dirk Benedict’s journey from the big sky country of Montana to the hustle and hype of Hollywood. It also describes his odyssey of self-discovery and growth as he changes from struggling actor to celebrity, from meat eater to vegetarian, from cancer victim to cancer victor. Brilliantly written—insightful, witty, and always challenging—Confessions of a Kamikaze Cowboy may change the way you perceive actors, and even make you reconsider the truths in your own life.

"This entertaining autobiography/cook book will take you through the life of a dedicated actor who became an "overnight success" after 15 years... overnight being 15 years."--Page 4 of cover.

Acclaimed author Valerie Martin returns with a dark comedy about love, sex, an actor's ambition, and the perils of playing a role too well. In this fictional memoir, Valerie Martin brilliantly re-creates the seamy theater world of 1970s New York, when rents were cheap, love was free, and nudity on stage was the latest craze. Edward Day, a talented and ambitious young actor finds his life forever altered during a weekend party on the Jersey Shore, where he seduces the delicious Madeleine Delavergne and is saved from drowning by the mysterious Guy Margate, a man who bears an eerie physical resemblance to Edward. Forever after, Edward is torn between his desire for Madeleine and his indebtedness to Guy, his rival in love and in art, on stage and off.
