think so. Their first few weeks have been full of weirdness -- lunchtime thievery, free beef jerky, and Matilda, the mysterious new girl who knows everything about them, but has a lot to learn about making friends. But what if none of it is random at all? What if a reclusive genius is keeping an eye on them and making sure the tiny pieces of his puzzle fall into place, one by one, until strange, seemingly unconnected incidents snowball totally out of control? Imagine the odds! First a cardamom shortage takes down the school bully. Then a giant dog leads to some extracurricular spying. Soon Oliver is being followed and Matilda is hacking the FBI. And by the time they discover a gang of angry clowns and the world's largest game of Mousetrap, an insanely brilliant plan has been set in motion that will change their lives forever. Connect the Dots is an intricately plotted story about the power of human connection and a chain of "coincidences" so serendipitous they must be destiny at work.

Do you know that connect the dots is a wonderful introduction to drawing? You can treat it as guided drawing but soon, you can slowly wean your child off it to allow more freedom and flexibility to create. Other than that, it's also effective in helping a child master counting and maybe become familiar with how written numerals look like. Grab a copy now!
