Consonants can team up to do many things. Some blend their sounds together. Some make new sounds. These consonant blends and digraphs can be used to build simple words we use everyday. Let's learn what these consonant teams can do.

Phonics Monster - Book 4 offers a comprehensive introduction to consonant blends (such as bl, cl, gl, dr, fr, tr, sw) and consonant digraphs (such as sh, ch, th, ph), as well as a review of short and long vowel sounds. Each new sound is introduced with an extensive word list and several sentences that allow students to practice reading and pronouncing the sound correctly. There are also speed-reading exercises, games, and several activities and quizzes so that students can attain a thorough understanding of all consonant blends and digraphs. Phonics Monster - Book 4 is especially useful for ESL/EFL learners, as it includes a focus on similar sounds (thr vs. fr, for example) that may be especially difficult for non-native English speakers to pronounce correctly. Included throughout the book are several full-color monster illustrations.

"When consonants team up they can do many things. Some blend their sounds together. Some make new sounds. These consonant blends and digraphs can be used to build simple words we use every day. Readers learn what these consonant teams can do."--
