[2018: Labour Law and Employment Manual | Labour Guide](#)

The essence of constructive dismissal is that, in terms of s186(1)(e) of the Labour Relations Act, No 66 of 1995 (LRA), an employee who resigns as a result of their employer having made their continued employment intolerable is said to have been unfairly dismissed. Section 193(2)(1) of the LRA instructs Commissioners to reinstate an employee who has been unfairly dismissed unless the circumstances surrounding the dismissal are such that a continued employment relationship would be intolerable.

For most managers, let alone the employees involved, the disciplinary process can be painful and embarrassing. Poor performance tends to be confused with misconduct and consequently carries the stigma of punishment; this despite the fact that most company policies and indeed the ACAS Code (correctly) put emphasis on improving behaviour or performance, rather than punishment. Derek Eccleston's concise guide provides a clear picture of the purpose and the process of the disciplinary procedure. This toolkit approach contains invaluable information and includes clear checklists and sample letters to help guide managers and supervisors through the minefield of employment rights, explaining what to do and how to do it. Written in a no nonsense way, The Manager's Guide to Discipline is free of legal jargon and focuses on the practical issues throughout. It will help to protect the organisation, whilst ensuring matters are dealt with, not left or brushed under the carpet because of a lack of management confidence. This essential reference will encourage managers to approach performance and disciplinary problems proactively and with more confidence and will significantly reduce the risk of getting it wrong.

This practical handbook provides a comprehensive overview of professional legal language and practical skills. Prepared by native English-speaking lawyers, the book includes professional legal English terminology, practice-oriented examples and sample documents for use in your daily practice. Structured to provide a legal focus, a language focus as well as a practical focus, it helps you apply your professional legal expertise competently in various English-language situations.

First Published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

This second edition provides a practical guide for employers on termination of employment in Ireland. Unlike other text books, it is not an academic text book, but allows the practitioner to quickly determine what aspects of unfair dismissal apply in any given instance and how to put it into practice. Not only does it provide a view of the law itself in Ireland, but it also offers details of all the forms needed to prosecute a case. Practical and user-friendly, the book covers significant developments in Irish legislation, including new legislation on redundancies and significant developments in case law, particularly on retirement ages and equality.
