A plane bound for Amman, Jordan goes down in the Caspian Sea. The crash yields no survivors—save the Russian mercenary who hijacked the flight—and a cask containing an agent of unprecedented destructive potential is missing from the wreckage. A carefully plotted terrorist attack has been put into motion, and the resulting chaos might be enough to push America toward another costly war. The one man who might be able to stop the attack is Jack Hatfield, a freelance reporter who has never shied away from controversy. After making a politically incorrect statement about Islamic extremists, he has been discredited as a journalist and left to pick up the pieces of his career. But when his half-brother Sammy calls him, saying that his neighbor Ana overheard something she shouldn't have and now both their lives are in danger, Jack realizes he's stumbled upon a conspiracy to destroy Mecca. Now he, and a group of likeminded friends on the fringes of the law, must uncover who is behind the plot and stop them—or else witness the collapse of the world into a war of mutually assured global destruction. Michael Savage's COUNTDOWN TO MECCA is a gripping page-turner that takes readers on a journey where even the seemingly innocent aren't always innocent, the loyal aren't always loyal, and that even those counted on to serve their country, cannot always be counted on to protect it. With the threat of a third world war looming, Jack Hatfield must stop the destruction... before somebody can stop him.

Freelance reporter Jack Hatfield stumbles upon a conspiracy to destroy Mecca and enlists the help of his friends operating just outside the reach of the law. By the best-selling author of Abuse of Power.

Forced into freelance work after a radical watchdog group's smear campaign, former prominent war correspondent Jack Hatfield ignores FBI warnings to stay away when he stumbles on a large-scale terrorist plot that prompts his partnership with a seductive Yemeni intelligence agent and a veteran Green Beret. By the author of The Enemy Within. 250,000 first printing.

From Michael Savage, The New York Times bestselling author of Abuse of Power and radio host of The Savage Nation, comes a powerful new thriller, A Time for War. A Chinook helicopter carrying a squad of Navy Seals suddenly plummets to earth in Afghanistan. A car driven by FBI agents tailing a suspicious vehicle is mysteriously rendered immobile in San Francisco. The body of a Chinese agent is found floating miles from the Golden Gate Bridge after being fed to sharks. The U.S. is under secret attack and only Jack Hatfield, a popular television host hounded from his position by left-wing forces in the media for speaking the truth, suspects the danger of this lethal conspiracy. With the help of Dover Griffith, an idealistic young woman staffer at the Office of Naval Intelligence, Hatfield pursues a trail leading to a billionaire American electronics entrepreneur who has sold out his own country with the help of officials at the highest level of the American government. As enemy operatives plan a two pronged attack that will disarm the American military and release a deadly toxin killing hundreds of thousands of civilians, Hatfield and Dover race to locate this new Ground Zero and save an unsuspecting county.

In The Siege of Mecca, acclaimed journalist Yaroslav Trofimov pulls back the curtain on a thrilling, pivotal, and overlooked episode of modern history, examining its repercussions on the Middle East and the world. On November 20, 1979, worldwide attention was focused on Tehran, where the Iranian hostage crisis was entering its third week. That same morning, gunmen stunned the world by seizing the Grand Mosque in Mecca, creating a siege that trapped 100,000 people and lasted two weeks, inflaming Muslim rage against the United States and causing hundreds of deaths. But in the days before CNN and Al Jazeera, the press barely took notice. Trofimov interviews for the first time scores of direct participants in the siege, and draws upon hundreds of newly declassified documents. With the pacing, detail, and suspense of a real-life thriller, The Siege of Mecca reveals the long-lasting aftereffects of the uprising and its influence on the world today.

"Soon, the coming Jihad will drive all infidels from the Holy Land and Islam will once again rule the world." The chilling words of a dying man send David Harrim, an undercover CIA operative, on a desperate search to prevent a ruthless plot that will ignite a worldwide Islamic jihad. From Afghanistan to Turkey, Jordan, Saudi Arabia, Pakistan, Iran and Israel, he attempts to track down the mysterious terrorist Abdullah with the help of two female agents - one from Israel and the other from Iran. The trail leads from the largest Wahhabi mosque in Riyadh to a terrorist training camp in Pakistan, back to the Temple Mount in Jerusalem and finally to the Grand Mosque in Mecca. David's efforts are complicated by several competing factions: the mutaween (Saudi religious police), the Israeli Mossad and Iranian intelligence, Palestinian and Islamic terrorists and the ruling Saudi Arabian royal family. As David draws closer to the truth, he learns that if Abdullah isn't stopped in time, he will start a devastating war between the West and all Muslims. But what David doesn't realize is that he is about to become the final piece in Abdullah's plan.

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

Michael Savage attacks big government and liberal media bias. The son of immigrants, Savage shows how traditional American freedoms are being destroyed from the outside and undermined from within-not just our own government, but also from alien forces within our own society. Savage argues that if the price of liberty is eternal vigilance, then only a more "savage nation" will enjoy these liberties. Savage's high ratings and the rapid growth of his program prove he is in touch with the concerns of the average American.

Lexi Austin is living a fantasy. At the stroke of midnight, in the most romantic country in the world, a masked stranger sweeps her into his arms. But when the man turns out to be Quentin Reddick, Lexi's best friend since college, the celebrity chef knows she's in trouble. He may be the most irresistible man on the planet, but the powerhouse attorney is also the world's hardest partying bachelor. The sensual woman he kissed on New Year's Eve is a world away from the fast-talking tomboy Quentin always thought of as a kid sister. Back home in Atlanta, he plans to show Lexi that he's a one-woman man. As desire reignites—even hotter than before—he'll tempt her with his passion. Seduce her with his love. And together, they'll ring in the new year—and every year—in each other's arms...

The #1 national bestselling "riveting" (The New York Times), "propulsive" (Time) behind-the-scenes account "that reads like a tense thriller" (The Washington Post) of the 116 days leading up to the American attack on Hiroshima by veteran journalist and anchor of Fox News Sunday, Chris Wallace. April 12, 1945: After years of bloody conflict in Europe and the Pacific, America is stunned by news of President Franklin D. Roosevelt's death. In an instant, Vice President Harry Truman, who has been kept out of war planning and knows nothing of the top-secret Manhattan Project to develop the world's first atomic bomb, must assume command of a nation at war on multiple continents—and confront one of the most consequential decisions in history. Countdown 1945 tells the gripping true story of the turbulent days, weeks, and months to follow, leading up to August 6, 1945, when Truman gives the order to drop the bomb on Hiroshima. In Countdown 1945, Chris Wallace, the veteran journalist and anchor of Fox News Sunday, takes readers inside the minds of the iconic and elusive figures who join the quest for the bomb, each for different reasons: the legendary Albert Einstein, who eventually calls his vocal support for the atomic bomb "the one great mistake in my life"; lead researcher J. Robert "Oppie" Oppenheimer and the Soviet spies who secretly infiltrate his team; the fiercely competitive pilots of the plane selected to drop the bomb; and many more. Perhaps most of all, Countdown 1945 is the story of an untested new president confronting a decision that he knows will change the world forever. But more than a book about the atomic bomb, Countdown 1945 is also an unforgettable account of the lives of ordinary American and Japanese civilians in wartime—from "Calutron Girls" like Ruth Sisson in Oak Ridge, Tennessee, to ten-year-old Hiroshima resident Hideko Tamura, who survives the blast at ground zero but loses her mother and later immigrates to the United States, where she lives to this day—as well as American soldiers fighting in the Pacific, waiting in fear for the order to launch a possible invasion of Japan. Told with vigor, intelligence, and humanity, Countdown 1945 is the definitive account of one of the most significant moments in history.
