The Masks of God (Series) This four-volume magnum opus was
Campbell's most comprehensive attempt to lay out his theories of
the history of myth and religion. Published between 1959 and 1968,
Campbell's The Masks of God covers mythology from around the
world, from ancient to modern. Where The Hero with a Thousand
Faces focused on the commonality of mythology (the "elementary
ideas"), the Masks of God books focus upon historical and cultural
variations the monomyth takes on (the ...

Creative mythology, on the other hand, is the work of the rebellious, adventurous few, the 'challengers of hell'. It arises from individual experience, but if it has a certain depth and import, it can in communication reach the value and force of living myth'. Such is the function of the great creative thinkers and artists of the post-medieval ...

Creative Mythology is the fourth and last volume in Masks of God.
Up to this book, I thought the work had become stronger with each
volume. The first book, Primitive Mythology published in 1959 by
and large dealt with the pre-historic era Campbell sees at the root of
world culture, and so relied quite a bit on archeology and the
speculations of such psychologists as Freud.

Explore the power of myth as it exploded from medieval Europe into the modern world In this fourth volume in The Masks of God series - Joseph Campbell's major work of comparative mythology - the preeminent mythologist looks at the birth of the modern, individualistic mythology as it developed in Europe beginning in the twelfth century A.D. up through the modernist art of the twentieth century.

For contents, see Author Catalog.

In this climax to his series of studies on world mythologies, the author examines a process he sees as beginning in the mid-twelfth century in the west - an accelerating disintegration of the orthodox tradition.
