Crinkleroot the forest dweller describes the changes that take place in animals and plants throughout the four seasons.

Jim Arnosky's beloved nature expert, Crinkleroot, is back! Award-winning children's book artist and naturalist Jim Arnosky features his iconic character in this fun and informative picture book. Crinkleroot, who was "born in a tree and raised by bees," guides young readers through the natural world, taking them on a journey through the seasons, and giving examples of things they can do in their own backyards to protect the environment.

Observations by one forest dweller of the plants and animals that surround him.

Crinkleroot invites youngsters to chart the growth of trees, examining their roots, leaves, stems, and seeds, discussing identification and explaining why all trees have individual shapes and stories.

An introduction to birds one might see in the woods.

The jovial woodsman Crinkleroot introduce twenty-five realistically drawn animals, including the frog, starfish, and grasshopper.

Presents paintings of twelve freshwater fish, including the carp, bass, and trout, and thirteen saltwater fish, including the flounder, tuna, swordfish and seahorse.

Take a walk in the wild with Crinkleroot! Include useful safety tips for avoiding ticks, poison plants, and other hazards.

Introduces different wildlife habitats, including wetlands, woodlands, cornfields, and grasslands.

A mother manatee and her baby swim in the warm waters of the Crystal River in Florida, munching on hyacinth and floating with the fish. But a noisy motorboat is churning by, and the mother tries to keep her baby safe. Full-color illustrations.
