semester calculus-based physics courses. Volume 1 covers mechanics, sound, oscillations, and waves. This textbook emphasizes connections between theory and application, making physics concepts interesting and accessible to students while maintaining the mathematical rigor inherent in the subject.

Online Library C stephenmurray

Frequent, strong examples focus on how to approach a problem, how to work with the equations, and how to check and generalize the result."--Open Textbook Library.

Finalist for the Hugo Award •

“ Ofelia—tough, kind, wise and unwise, fond of food, tired of foolish

Online Library C stephenmurray

people—is one of the most probable heroines science fiction has ever known. ” —Ursula K.

Le Guin For forty years, Colony 3245.12 has been Ofelia ’ s home.

On this planet far away in space and time from the world of her youth, she has lived and loved, weathered the death of her husband, raised her one surviving child,

Online Library C stephenmurray

lovingly tended her garden, and grown placidly old. And it is here that she fully expects to finish out her days—until the shifting corporate fortunes of the Sims Bancorp Company dictates that Colony 3245.12 is to be disbanded, its residents shipped off, deep in cryo-sleep, to somewhere new and strange and not

Online Library C stephenmurray

of their choosing. But while her fellow colonists grudgingly anticipate a difficult readjustment on some distant world, Ofelia savors the promise of a golden opportunity. Not starting over in the hurly-burly of a new community . . . but closing out her life in blissful solitude, in the place she has no

Online Library C stephenmurray

intention of leaving. A population of one. With everything she needs to sustain her, and her independent spirit to buoy her, Ofelia actually does start life over – for the first time on her own terms: free of the demands, the judgments, and the petty tyrannies of others. But when a reconnaissance ship

Online Library C stephenmurray

returns to her idyllic domain, and its crew is mysteriously slaughtered, Ofelia realizes she is not the sole inhabitant of her paradise after all. And, when the inevitable time of first contact finally arrives, she will find her life changed yet again—in ways she could never have imagined. . . . “ Pure
