First published in 1891, Pellegrino Artusi’s La scienza in cucina e l’arte di mangier bene has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi’s death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi’s masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

From Tuscan tomato and bread soup to monkfish stew, simple spaghettis or lemon and pistachio polenta cake, Made at Home is a colourful collection of the food that Giorgio Locatelli loves to prepare for family and friends. With recipes that reflect the places he calls home, from Northern Italy to North London or the holiday house he and his wife Plaxy have found in Puglia, this is a celebration of favourite vegetables combined in vibrant salads or fresh seasonal stews, along with generous fish and meat dishes and cakes to share. Early every evening, Giorgio’s ‘other family’, the chefs and front of house staff at his restaurant, Locanda Locatelli, sit down together to eat, and Giorgio reveals the recipes for their best-loved meals, the Tuesday ‘Italian’ Burger and the Saturday pizza. In a series of features he also takes favourite ingredients or themes and develops them in four different ways, amid ideas for wholesome snacks, from mozzarella and ham calzoncini (pasties) to ricotta and swiss chard erbazzone (a traditional pie), crostini to put out with drinks, and fresh fruit ice creams and sorbets to round off a meal in true Italian style.
