In our current economic conditions, job hunters are struggling to attain the 'perfect' job. The Internet has made job hunting easier, but has made getting the job actually harder. It's so easy to apply for jobs today that employers are overwhelmed, often receiving thousands of applications per job opening. Somehow, you have to make sure your application rises to the top of this pile. How? Through your r é s u m é - it's the single most powerful marketing tool you have to showcase your

skills and accomplishments. That's what this book is all about. It shows you how to create the best résumé for you and the job you are applying for. There are chapters on the different résumé formats and how to choose the appropriate one for your situation. There's a chapter showing you what belongs in each section of the resume and there's even a chapter on how to showcase your skills in the most powerful way. There is a section on mistakes to avoid and tips for dealing with any problematic areas. Underqualified? Overqualified? Each of these issues and many more are addressed in this book, as is a rarely discussed security issue from posting your resume all over the Internet. There is also a chapter on the power of words that will help you to maximize your writing to make your résumé the most powerful selling tool possible. Even better all this information is presented in a straightforward style that makes this book easy to read and the instructions even easier to follow. Isn't it time you seek out the next step in your life? This books has been recently revised and released on April 18, 2012.

What the 2nd edition brings you: You support climate protection, quickly receive compact information and checklists from experts (overview and press reviews in the book preview) as well as advice proven in practice, which leads step by step to success - also thanks to add-on. Because today, CVs often look more like a patchwork rug than a straight line, well-known career patterns have slowly but surely become obsolete and mosaic careers are gradually becoming established in human resources departments. It is no wonder that many people want to make a fresh start, especially in their midlife. But change requires courage to take the

risk. You also need support and role models. This book aims to reduce fears and point out opportunities. It creates motivation and uses tips and role models to show how the next important step can be taken even under difficult circumstances. We give you the best possible help on the topics of career, finance, management, personnel work and life assistance. For this purpose, we gather in each book the best experts in their field as authors - detailed biographies in the book - , who give a comprehensive overview of the topic and additionally offer you success planner workbooks in printed form. Our guidebooks are aimed primarily at beginners. Readers who are looking for more in-depth information can get it for free as an add-on with individual content in German and English as desired. This concept is made possible by a particularly efficient, innovative digital process and Deep Learning, AI systems that use neural networks in translation. Moreover, we give at least 5 percent of our proceeds from book sales to social and sustainable projects. For example, we endow scholarships or support innovative ideas as well as climate protection initiatives and in some cases also receive government funding for this. With our translations from German into English we improve the quality of neural machine learning and thus contribute to international understanding. You can find out more on the website of our Berufebilder Yourweb Institute. Publisher Simone Janson is also a bestselling author as well as one of the 10 most important German bloggers according to the Blogger-Relevance-Index, furthermore she was a columnist and author of renowned media such as WELT, Wirtschaftswoche or ZEIT - more about her in Wikipedia.
