Study Guides for CAPE have been developed and written by CXC to provide CAPE candidates in schools and colleges with resource materials to help them prepare for their exams. Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination.

Study Guides for CAPE have been developed and written by CXC to provide CAPE candidates in schools and colleges with resource materials to help them prepare for their exams. Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination.

Developed exclusively with the Caribbean Examinations Council, this study guide provides you with additional support to maximise your performance in CAPE Communication Studies. Written by an experienced team of teachers and experts in the syllabus and the examination, this study guide covers all the key elements of the syllabus in an easy-to-use double-page format, with a range of features designed to enhance study. Features include activities and tips, as well as examination practice and sample answers to build assessment confidence.

Study Guides for CAPE have been developed and written by CXC to provide CAPE candidates in schools and colleges with resource materials to help them prepare for their exams. Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination.

CAPE Caribbean Studies is a unique book and website package that will help students understand the historical, geographical and social influences that have shaped the regions they live in today, confident in the knowledge that all the demands of the new 2012 syllabus are covered. The content of each unit concisely covers the syllabus and highlights key concepts so that students understand exactly what is required of them for the CAPE exam. A dedicated research and data collection section takes students step-by-step through the process of completing their Independent Research Projects, providing an essential check point for both school and private candidates. Exclusive online content is delivered in an engaging and interactive way to enable accessible revision of topics and to bring variety to learning with videos and quizzes.

Purpose of guide is to provide both in school and out of school candidates with resource materials, which should help them in preparing for CXC examinations. Study guide is student centred and the language is student friendly.

Study Guides for CAPE have been developed and written by CXC to provide CAPE candidates in schools and colleges with resource materials to help them prepare for their exams. Matching the topics in the syllabus, the student-friendly structure and content enable students to develop their skills and confidence as they approach the examination.
