ones. Learn how preeminent actresses, musicians, politicians, journalists, and entrepreneurs faced a formidable disease and put it in its place. In their own words, the women of Beat Breast Cancer Like a Boss inform and encourage other women by sharing their experiences and advice. Learn how they told loved ones about their diagnoses, navigated treatment options, and managed the work/life/cancer balance. Rogin, too, faced great uncertainty when she tested positively for the BRCA1 genetic mutation at age twenty. She found answers in the vibrant community of breast cancer survivors and “previvors” who also stared down the odds. With her brave decision to undergo a prophylactic bilateral mastectomy before even graduating college, Rogin joined this diverse sisterhood of women confronting breast cancer in its many forms with dignity, strength, and humor.

When fairies stole her brother, Red vowed to get him back. Now trapped in the fairy realm, she strikes a bargain with the fairy court: her brother in exchange for all thirteen charms from her friend Tanya's bracelet. But as Red sets out on her quest to retrieve the charms, she soon learns that the fairies have done more than hide them -- they've enchanted them with the twisted qualities of the Thirteen Treasures they represent. And the longer the charms are missing, the more dangerous they become....

Federer athletes are increasingly peaking later in their careers. Let Dr Marc Bubbs be your personal trainer in this accessible guide— aimed exclusively at those in their 40s. Create a customized program that works for YOU—from diet, to sleep, type of training and mindset, this book has all the tools you need. Peak 40 is for anyone wanting to rediscover the best version of themselves coming into their 40s. Author Dr Marc Bubbs is a performance nutritionist with a portfolio of professional and Olympic athletes - but he is also the dad of three girls, all under 7! Dr. Bubbs is here with you, in the eye of the mid-life storm, and he has created the ultimate book to help you through it. For fans of Joe Wicks and Michael Mosley, Dr. Bubbs offers simple, evidence-based and time-efficient strategies to help you reignite your energy and passion. His realistic, grown-up and non-judgemental approach is to explain the effect some food groups and lack of exercise and sleep have on our body. The information presented is easy to digest and he offers advice that can be tailored to your body and personality type. In his expert opinion, small changes such as ‘ not eating after 8pm for five out of seven days ’ can have a big impact on weight loss and positive mood. Rather than eliminating certain food groups like fats and carbohydrates, he looks at ‘ turning the dial ’ on them depending on individual needs. If life has become too sedentary, he provides ways to increase suppleness so that you can start to reintroduce movement into your life without causing pain. Guiding us through the myriad of confusion lifestyle messages, Dr. Bubbs teaches us:

- How to increase flexibility
- How to train with achy joints, knees, back, shoulders...
- Whether a plant-based diet is right
- How to maintain bone health
- Whether to lift
