As social media feeds a flood of rumors and misinformation, one spectator remembers being jostled by a young man with a backpack not far from the bomb site. He spots a Muslim man in a tourist's photo of the event and is convinced that this was the man who bumped into him in the crowd--but now the man's backpack is missing. When he tweets the photo to the public, the young man, Khan Rashid, becomes the most wanted man in the city. And the manhunt is on. But are the answers behind the Duluth bombing more complex than anyone realizes? And can Stride, Serena, and Maggie find the truth before more innocent people are killed?
