Daylighters is the 15th and final book in the long running witty Morganville Vampire series. All the books in this series are light, fun and quick reads. This one isn't any different.

Daylighters (The Morganville Vampires, #15) by Rachel Caine

Daylighters is the 15th and (so far) final book in Morganville series. After Fall Of Night which was the weakest book in the series In my opinion, Daylighters was an improvement - but still not as good as previous installments earlier in the series.

Accepted into a special study program at MIT with Professor Irene Anderson, Claire Danvers works on developing a technology to block the mental powers of vampires only to unleash unexpected forces when she tests the machine on live subjects.

College freshman Claire Danvers has had enough of her nightmarish dorm situation, where the popular girls never let her forget just where she ranks in the school's social scene: somewhere less than zero. When Claire heads off-campus, the imposing old house where she finds a room may not be much better. Her new roommates don't show many signs of life. But they'll have Claire's back when the town's deepest secrets come crawling out, hungry for fresh blood. Watch a Windows Media trailer for this book.

New York Times bestselling author Rachel Caine presents a collection of stories—including six new tales—featuring the little Texas town that's overrun by the undead. WELCOME TO MORGANVILLE. YOU'LL NEVER WANT TO LEAVE. By day, Morganville, Texas, is just a typical college town. By night, the vampires emerge and take control.... In a town where it's not safe to be out after dark, student Claire Danvers and her friends have had their fair share of thrills. But Morganville still has a few secrets left to tell. Now, in this collection, you can venture down the town's strange streets, revisit all the tales you've come to love, and experience six new stories featuring your favorite Morganville residents—both human and vampire...

Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

When Joanne Baldwin, a Weather Warden who can tame the most violent weather, is forced to flee from the law when murder accusations rain down upon her, she must find the only man who can help her - Lewis, the most powerful Warden, who is also on the run from the World Council. Original.

After discovering that vampires populate her town, college student Claire Danvers knows that the undead just want to live their lives. But someone else wants them to get ready to rumble. There's a new extreme sport getting picked up on the Internet: bare-knuckle fights pitting captured vampires against each other-or humans. Tracking the remote signal leads Claire to discover that what started as an online brawl will soon threaten everyone in Morganville...

Before Morgan, there was Daphne, the girl who asked too many questions and changed everything... This original novella set in the world of The Internment Chronicles is a gripping prequel to Perfect Ruin. In this look back at Daphne, before her subversive paper led to her murder by order of the king, Daphne witnesses her seven-year-old sister Amy having a seizure-like event, a result of injuries sustained when she wandered too close to the Edge. Government doctors insist these seizures are punishment for Amy's bad behavior, but Daphne disagrees. Obsessed with finding out what lured her sister out there to the Edge to begin with, Daphne leads Judas, her betrothed, a young man with his own secrets, on an expedition near the Edge to reconstruct her sister's fateful event. But how close is too close?

With its eclectic mix of vampire and human citizens, Morganville, Texas, has always been a risky place to call home. But with the invasion of the vampire's deadliest enemy, Morganville isn't just in danger—it's dying... Ever since the draug—mysterious creatures that prey on vampires—took over Morganville, the lives of student Claire Danvers and her friends have been thrown into turmoil. Most of the town's residents have evacuated, but Claire, Shane, Eve and Michael have chosen to stay and fight. Using the city's water system to spread, the draug have rapidly multiplied. Things in Morganville look grim, especially since vampire Amelie—the town founder—has been infected by the master draug's bite. Now, if Claire and her friends don't figure out how to cure Amelie and defeat the draug, it looks like Morganville will become little more than a ghost town...

Percy is incredibly accident-prone, and holds the dubious record of the most accidents. Percy has had a small rivalry with Harold, however, they are always willing to help each other when in trouble.

In the college town of Morganville, vampires and humans coexist in (relatively) bloodless harmony. Then comes Bishop, the master vampire who threatens to abolish all order, revive the forces of the evil dead, and let chaos rule. But Bishop isn't the only threat. Violent black cyclone clouds hover, promising a storm of devastating proportions as student Claire Danvers and her friends prepare to defend Morganville against elements both natural and unnatural.
