There are four difficulty levels in Left 4 Dead. Each level refers to the difficulty of the campaign, and each is drastically different than the others. For example, on Easy difficulty, it's rare to see a Horde outside of the occasional Crescendo Event, whereas on Expert, it's likely you'll face a Horde around every corner. The specific differences between each difficulty level are listed below.

With the by-election campaign about to start in earnest, and the festive season in full swing, torrential rain brings with it flood warnings on the Somerset Levels. Suspended on full pay and transferred to the cold case unit, Detective Inspector Nick Dixon is languishing on the sidelines as the investigation into Elizabeth Perry's murder unravels and the floodwaters rise. Returning to duty, Dixon is convinced that the answer lies hidden in Tom Perry's political life, but why was Elizabeth the target and not her husband? The more Dixon uncovers, the further he is from finding the truth.... Dead Level is the fifth novel in Damien Boyd's addictive DI Nick Dixon Crime Series.

The highly anticipated new book in the bestselling DI Nick Dixon Crime Series. The body of an elderly man is found in an abandoned World War Two pillbox beside the Bridgwater and Taunton Canal. With no obvious motive and no credible suspect, DI Nick Dixon starts digging into the victim's past. The more he digs, the deeper Dixon is drawn into a case that takes him from the cave systems beneath rural Somerset to the heart of government, and threatens to expose a military cover-up at the highest level. Blocked by a wall of silence, Dixon must unravel a dangerous conspiracy before the killer strikes again.

Detective Inspector Nick Dixon is sent undercover as a trainee teacher at a boarding school to find the killer of Isobel Swan, a murdered sixth form student. To find the killer, Dixon must first confront his inner demons and lay to rest the ghosts lurking in his own past.

A trainee jockey has been kicked to death by an aggressive stallion at the local stables. Deemed an accidental death, the case is closed. But when the jockey's brother returns from active service, he sparks an armed siege, demanding the investigation be re-opened and the truth uncovered. Still recovering from the physical and mental scars of his last case, Detective Inspector Nick Dixon is dragged deep into a murky world of betting scams and murder, where people will do anything to keep their secrets. Even if that means silencing a DI who keeps asking the wrong questions about the wrong dead jockey... Kickback is the third novel in the

highly acclaimed DI Nick Dixon Crime Series.

The highly anticipated seventh novel in the bestselling DI Nick Dixon Crime Series. A man has been mutilated and left to drown on the incoming tide, handcuffed in his van. With the murder bearing a striking resemblance to a string of sadistic killings carried out with surgical precision in 1990s gangland Manchester, it can mean only one thing: the killer is back. Transferred to the Major Investigation Team, DI Nick Dixon is assigned a new partner and sent to Manchester. Meanwhile, the gruesome murders in Somerset continue. Convinced of a connection with the unsolved gangland killings, and with the odds stacked against him, Dixon takes the ultimate gamble, determined to bring the killer to justice before it's too late. But is it the same killer? If so, why has he resurfaced now? And how many more must die?

Parks and Recreation actor and Making It co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation's Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—Paddle Your Own Canoe features tales from Offerman's childhood in small-town Minooka, Illinois—"I grew up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, Paddle Your Own Canoe will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

Rock climbers can't afford to make careless mistakes. But Detective Inspector Nick Dixon's former climbing partner, Jake Fayter, died doing just that. Or so it seems. Dixon suspects foul play, but his only leads are unreliable accounts of something odd happening in Cheddar Gorge seconds before Jake fell. As the body count rises, Dixon bends the rules to breaking point to lure out a killer and unravel a conspiracy of silence that will rock the sleepy town of Burnham-on-Sea to its core.

The discovery of a severed head in a golf course bunker triggers a frantic race to find a serial killer that brings the town of Burnham-on-Sea to a standstill. A connection is made with a series of unsolved murders harking back to the 1970s, and Detective Inspector Nick Dixon finds himself caught in a race against time that takes him the length and breadth of the country. The brutal killing of an elderly man raises the stakes and, as he closes in, Dixon begins to question whether he is chasing one serial killer or two. Head in the Sand is the second novel in the highly acclaimed DI Nick Dixon Crime Series.

Early on a cold Somerset morning, ten year old Alesha Daniels is reported missing by her father, a violent alcoholic. Her mother, a known drug addict, is found unconscious, but it's her mother's boyfriend the police are keen to trace. As the hunt for Alesha gathers pace, a second local girl is taken, plunging another family into the depths of despair. Cutting short his holiday, DI Nick Dixon races home to join the Major Investigation Team, but no sooner has he identified a network of local suspects than they begin to show up dead. At odds with his superiors, Dixon is convinced the child abductions are anything but random, but nobody is prepared for the investigation to lead quite so close to home. Can Dixon and his team crack the case before all
