## Get Free Dear Enemy

Sallie McBride, the new director of the John Grier Home for Orphans, keeps her friends posted on the latest occurrences in that institution.

Dear Enemy is the 1915 sequel to Jean Webster's 1912 novel Daddy-Long-Legs. It was among the top 10 best sellers in the U.S. in 1916. The story is presented in a series of letters written by Sallie McBride, Judy Abbott's classmate and best friend in Daddy-Long-Legs. Among the recipients of the letters are Judy; Jervis Pendleton, Judy's husband and the president of the orphanage where Sallie is filling in until a new superintendent can be installed; Gordon Hallock, a wealthy

## Get Free Dear Enemy

Congressman and Sallie's later fiancé; and the orphanage's doctor, embittered Scotsman Robin 'Sandy' MacRae (to whom Sallie addresses her letters: "Dear Enemy"). Webster employs the epistolary structure to good effect; Sallie's choices of what to recount to each of her correspondents reveal a lot about her relationships with them. The novel is set in rural Dutchess County, New York, early in the 20th century. It examines a number of social issues: how to care for orphans (and for children in general), divorce, and the value of women's work. (The latter is a natural extension of the theme of women's education in *Daddy-Long-Legs*.) While volunteer work by women is widely accepted, women working in responsible positions for pay is still viewed with some hostility by some characters, such as Gordon Hallock, Sallie's

## Get Free Dear Enemy

friend and later fiancé, and the Honorable Cyrus Wykoff, a trustee of the John Grier Home. The Hon. Cy (as Sallie calls him) objects to the JGH paying a salary to Betsy, Sallie's assistant: "She's a woman, and her family ought to support her." Though the Hon. Cy makes it clear that he thinks Sallie is frivolous and unsuited to superintend an orphanage, Sallie is so devoted to the orphan's well-being that she turns even her social life-explicitly criticized by the Hon. Cy-into an opportunity to further her cause, recruiting volunteers, benefactors, and foster parents at dinner parties and afternoon teas. Webster also deals with women's life choices in a more subtle fashion. She contrasts the miserable marriage of Sallie's friend Helen with Sallie's fruitful life as she devotes herself to the demanding and strenuous task of

## Get Free Dear Enemy

running an orphanage. Sallie considers Judy Abbott, who married soon after completing college, an anomaly for her remarkably successful marriage with Jervis. Divorced from her unsuitable husband, Helen ultimately finds happiness in joining Sallie's cause at the orphanage, applying herself to work for the public good. Socialism applied to charitable causes is an underlying theme; the John Grier Home couldn't survive without the beneficence of the trustees and community. The novel also deals with the evolving ideas about how best to care for orphans at the turn of the century, with the institution-style establishments falling out of favor, in light of the modern 'cottage' approach. Care for the children's emotional and spiritual needs is considered paramount, as Sallie works with Dr. MacRae, Judy, and Jervis to enact her

## Get Free Dear Enemy

reforms. The reasons these are necessary at the John Grier Home is clearly outlined in the first novel, in Judy's miserable recollections of her old home. Concerns with the hereditary origins of 'feeble-mindedness' and alcoholism are expressed by Dr. MacRae and by Sallie. The doctor's anxieties prove to have an underlying basis in his experience, which is revealed towards the end of the novel. Although the themes are intense, the author generally deals with them in an amusing and light-hearted fashion. (wikipedia.org)

"Amerian nurse Annie Rawlings finds herself behind enemy lines in WWII, captured and alone with a wounded German soldier. Through shared danger, faith, and a love of music, the two forge a bond that will be tested by prejudice and the

what to recount to each of her correspondents reveal a lot about her relationships with them.

Connie Brockway's novel of unexpected love begins with a series of letters between a world-weary adventurer and the beautiful suffragette whose passion calls him home. "Dear Mr. Thorne, For the next five years, I will profitably manage this estate. I will deliver to you an allowance and I will prove that women are just as capable as men." Lillian Bede is shocked when she is tapped to run the affairs of an exquisite country manor. But she accepts the challenge, taking the opportunity to put her politics into practice. There's only one snag: Lily's ward, the infuriating, incorrigible globe-trotter Avery Thorne. "My Dear Miss Bede, Forgive me if I fail to

## Get Free Dear Enemy

shudder. Pray, do whatever you bloody well want, can, or must.” Avery’s inheritance is on hiatus after his uncle dies—and his childhood home is in the hands of some domineering usurper. But when he finally returns, Avery finds that his antagonist is not at all what he expected. In fact, Lily Bede is stunning, exotic, provocative—and impossible to resist. Includes a special message from the editor, as well as excerpts from other Loveswept titles.

Recounts the life of orphaned college student and aspiring writer Judy Abbott through her letters to her unknown male benefactor, and chronicles the progress of Judy's former orphanage run by idealistic Sallie McBride.

## Get Free Dear Enemy

Dear Enemy is the sequel to novel Daddy-Long-Legs and follows the story of Sallie McBride, Judy Abbott's classmate and best friend in Daddy-Long-Legs. Dear Enemy shows how Sallie McBride grows from a frivolous socialite to a mature woman and an able executive. It also follows the development of Sallie's relationships with Gordon Hallock, a wealthy politician, and Dr. Robin MacRae, the orphanage's physician, (to whom Sallie addresses her letters: "Dear Enemy"). Both relationships are affected by Sallie's initial reluctance to commit herself to her job, and by her gradual realization of how happy the work makes her and how incomplete she'd feel without it.

## Get Free Dear Enemy

A Knight in Tarnished Armor The first time Alex Leeward had seen him, he'd appeared with the sunrise, astride a white horse. But reality had hit—hard—when she'd discovered that he was Marcus Wakeford, the man who'd dumped her sister and affected her father's health. But having had her money and return ticket to England stolen, Alex's only way of getting home was to work back her passage—helping Marcus transport his horses. Her only safe way home was to make certain that neither the magic of France nor the magnetism of Marcus would seduce her into forgetting that this man she could so easily love was the enemy.
