What 's the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a cage girl, I 've learned my lesson — never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I won 't let anything get in my way, not even the new " it boy " of the NFL and my hot-as-hell neighbor. What's the worst thing about getting death glares from his new neighbor? It doesn't make him want her any less. I 've worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I can 't stop thinking about the feisty girl next door with the smart mouth. And I 'd love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea he 's ever had. Or the worst. **KISSING MADELINE**, the third book in The Dearest Series, can be read a standalone novel. A sexy, small town sports romance from USA Today bestselling author Lex Martin! What 's worse than having Rider Kingston, the star quarterback, give you the big brushoff because he doesn 't want to get serious? You 'd probably think living across the street from him where you get a firsthand view of his hookups, right? That 's what I thought. Until someone drops off a baby with a note pinned to her blanket that says one of those jocks—either Rider or one of his roommates—is the father. The problem? Baby mama doesn 't mention which of these numbskulls is the sperm donor. I wouldn 't care about their paternity problems—not the slightest bit—except my brother lives there too. Which means that adorable squawking bundle might be my niece, and there 's no way I 'm leaving her unattended with those bumbling football players. They need my help, even if they don 't know it yet. Once we solve this dilemma and figure out who 's the daddy, I 'm out. I 'll just ignore Rider and those soul-searing looks he gives me every time I reach for the baby. He broke my heart three years ago. He won 't get a second chance.

All three books of the bestselling Dearest series—Dearest Clementine, Finding Dandelion, and Kissing Madeline—are included in this box set, along with exclusive bonus content. Each full-length companion novel features a different couple. **DEAREST CLEMENTINE** (a bestselling contemporary romance) When Clementine Avery swore off men, she had no idea she'd need real life experience for that romance writing class she accidentally signed up for last spring. Fortunately, sexy RA Gavin Murphy offers to help her find a little inspiration... in the name of academics, of course. **FINDING DANDELION** (#1 sports fiction and a bestselling sports romance) Hooking up with that ridiculously attractive guy at the club should've been an easy item to check off Dani Hart's bucket list. But when Dani realizes the hottie is her snarky new roommate's brother, what should've been uncomplicated suddenly isn't. **KISSING MADELINE** (#1 sports fiction and a bestselling sports romance) Maddie McDermott won 't let anyone stand in her way of becoming a broadcast reporter, not even the subject of her new segments—her hot new neighbor Daren Sloan, the NFL's latest "it boy" and star quarterback. Daren doesn't seem to care that Maddie can't stand him. In fact, he'd love nothing more than to show her that being friends has its benefits. This new adult series features three best friends and their journey to find love. For readers who enjoy sports romances, fake dating, friends with benefits, sexy quarterbacks, humor, heart, and steam!

recognize Dani the next time he sees her, it shouldn't be a total shock. The fact that he's her new roommate's brother? That's a shock. Dani doesn't regret that night with Jax, just the need to lie about it. Since her roommate has made it clear what she thinks about her brother's "type" of girl, the last thing Dani wants is to admit what happened. Jax knows he's walking a fine line on the soccer team. One more misstep and he's off the roster, his plans to go pro be damned. Except he can't seem to care. About anything... except for the one girl who keeps invading his dreams. Despite Jax's fuzzy memory of his hot hookup with his sister's friend, he can't stay away from her, even if that means breaking his own rules. But there are bigger forces at work – realities that can end Dani's college career and lies that can tear them apart. Jax realizes what he's losing if Dani walks away, but will he sacrifice his future to be with her? And will she let him if he does? Finding Dandelion, the second book in The Dearest Series, is a standalone novel. This new adult romance is recommended for readers 18+ due to mature content. The boy next door has always made her breathless. Joey... I wouldn't say I ran away exactly—twenty-two is too old for that. I'd call it self-preservation. I have one objective: protect my heart from the boy next door who has no clue I've loved him my whole life, even with a front row seat to his revolving bedroom door. My escape plan almost worked. Except I left one thing behind. Logan Carter hijacked my heart, and now it's time to get it back. This time for good. Logan... I wouldn't say I've been lying this whole time—not about everything. Not about how much I miss my best friend, and definitely not about how pissed I am that she left with hardly a goodbye. She's the last person I ever expected to ghost me, and her absence left a gaping hole in my chest. When Joey Grayson steps off that bus, I know I'll do anything to keep her home, and that means finding out the truth. But I'm not sure how to tell her my truths when I'm living so many lies. Breathless is a standalone companion novel to the USA Today bestsellers Shameless and Reckless. Each book features a different couple.

\*\*\* A USA TODAY BESTSELLER \*\*\* Tori... For the record, I'm not going to hook up with my boss. I'm a lot of things—a screwup, a basket case, a flunky. But when I take a nanny job to be near my pregnant sister, I swear to myself I'll walk the straight and narrow, which means I cannot fall for my insanely hot boss. I don't want to be tempted by that rugged rancher. By his chiseled muscles or southern charm or the way he snuggles his kids at bedtime. Ethan Carter won't get the key to my heart, no matter how much I want him. Ethan... Between us, she's the last thing I need as I finalize my hellish divorce. What sane man trying to rebuild his life wants a hot nanny with long, sexy hair, curves for miles, and a smart mouth? A perfectly kissable, pouty mouth that I shouldn't notice. My focus is on my kids and my ranch, not the insufferable siren who sleeps in the room next to mine. It doesn't matter that she wins over my kids in a heartbeat or runs my life better than I do. Tori Duran is the one woman I can't have and shouldn't want, no matter how much I crave her.

There's a fine line between lust and hate. I don't care that Drew Merritt spent the last year transforming himself from grungy slob to sexy playboy. With messy, dirty blond hair and gorgeous eyes, his looks aren't the problem. His mouth is. And the stupid things that come out of it. But after an emergency strands us together, and he does his damndest to take care of me... Let's just say there's one thing we don't clash on. And it doesn't involve talking. I've despised Drew since I met him years ago. One weekend can't change us that much, can it? Spoiler alert: It doesn't. Except he left me a little keepsake. And in nine months, I'll have a surprise for Portland's most notorious player.
