In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas's family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

“ The wildest, strangest, best Dresden adventure to date...Butcher's blending of modern fantasy with classic noir sensibilities ensures that there's never a dull moment. ” —SF Site Paranormal investigations are Harry Dresden's business and Chicago is his beat, as he tries to bring law and order to a world of wizards and monsters that exists alongside everyday life. And though most inhabitants of the Windy City don't believe in magic, the Special Investigations Department of the Chicago PD knows better. Karrin Murphy is the head of S. I. and Harry's good friend. So when a killer vampire threatens to destroy Murphy's reputation unless Harry does her bidding, he has no choice. The vampire wants the Word of Kemmler (whatever that is) and all the power that comes with it. Now, Harry is in a race against time—and six merciless necromancers—to find the Word before Chicago experiences a Halloween night to wake the dead...

After Chicago's ghost population starts going seriously postal, resident wizard Harry Dresden much figure out who is stirring them up and why they all seem to be somehow connected to him.
