Healing rampant. The hurt is real, but so is the good news! In this groundbreaking, classic work, Chester and Betsy Kylstra show how you can trace pain and woundedness back to four foundational sources. True, lasting restoration and healing take place by dealing with these four sources together in an integrated way, instead of as separate areas. They are

- release from ancestral sins and curses
- replacement of destructive beliefs with godly ones
- healing from emotional and spiritual pain
- deliverance from demonic oppression

This well-proven manual is designed for both personal recovery and ministry to others. In it, the Kylstras provide guiding Scriptures, step-by-step processes, self-inventories, visual aids, tables and real-life stories of people being restored through this integrated, fourfold approach. You can live free! Become who you are meant to be, and help others do the same. "I
