One man's odyssey into the brutal hive of the National Football League As an unsigned free agent who rose through the practice squad to the starting lineup of the Denver Broncos, Nate Jackson took the path of thousands of unknowns before him to carve out a professional football career twice as long as the average player. Through his story recounted here—from scouting combines to preseason cuts to byzantine film studies to glorious touchdown catches—even knowledgeable football fans will glean a new, starkly humanized understanding of the NFL's workweek. Fast-paced, lyrical, dirty, and hilariously unvarnished, *Slow Getting Up* is an unforgettable look at the real lives of America's best athletes putting their bodies and minds through hell.

Popular and outspoken NFL cornerback Hanford Dixon offers an inside look at the turbulent, exciting, and frustrating Cleveland Browns seasons of the 1980s. A three-time Pro Bowler and co-inventor of the Dawg Pound, Dixon recalls both the roller-coaster on-field action and a culture of drug use that permeated the NFL and led to the tragic death of a teammate. He shares in detail what it was like to be a first-round NFL draft pick fighting for the starting job in training camp . . . What it took, mentally and physically, to play the toughest game at the highest level for a storied franchise . . . The adrenaline rush

of whipping up a frenzied crowd of 80,000 rabid fans in Municipal Stadium . . . The thrill of being one game away from the Super Bowl—three times! . . . And the crushing disappointment of losing those big games. Dixon refers to himself as “a top-notch, speedy, loud-mouth, cocky, shutdown cornerback.” That gives an idea of his outsized personality as well as his willingness to say exactly what he means. He's not shy about delivering praise or criticism where he thinks it's due—to teammates, coaches, officials . . . or himself. This Dawg tells it the way it was.

“Engaging.... Nimble-footed.... Amusing....Throughout, Hauser weaves in passages connecting Brown to her contemporaries and the cultural landscape of the 1960s...[to] situate her life in the context of its times.”— New York Times Book Review This female Mad Men-like story chronicles the legendary Cosmopolitan magazine editor’s rise to power as both a cultural icon and trailblazer who redefined what it means to be an American woman. In the mid-Sixties, Helen Gurley Brown, author of the groundbreaking *Sex and the Single Girl*, took over the ailing Cosmopolitan magazine and revamped it into one of the most successful brands in the world. At a time when magazines taught housewives how to make the perfect casserole, Helen reimagined Cosmo and womanhood itself, championing the independent, ambitious, man-loving single woman. Though she was married, to Hollywood producer David Brown, no one embodied the idea of the Cosmo Girl more than the Ozarks-born Helen, who willed, worked, and—yes—occasionally slept her way to the top, eventually becoming one of the most influential media players in the world. Drawing on new interviews with Helen’s friends and former colleagues as well as her personal letters, *Enter Helen* brings New York City vibrantly to life during the Sexual Revolution and the Women’s Movement and features a cast of characters including Hugh Hefner, Nora Ephron, and Gloria Steinem. It is the cinematic story of an icon who bucked convention,

defined her own destiny, and became a controversial model for modern feminism, laying the groundwork for television shows like *Sex and the City* and *Girls*. “Bad Feminist” or not, Helen Gurley Brown got people talking—about sex, work, reproductive choices, and having it all—forever changing the conversation.

A dramatic, inspiring memoir by legendary rock climber Tommy Caldwell, the first person to free climb the Dawn Wall of Yosemite's El Capitan. On January 14, 2015, Tommy Caldwell, along with his partner, Kevin Jorgeson, summited what is widely regarded as the hardest climb in history Yosemite's nearly vertical 3,000-foot Dawn Wall, after nineteen days on the route. Caldwell's odds-defying feat was the culmination of an entire lifetime of pushing himself to his limits as an athlete. This engrossing memoir chronicles the journey of a boy with a fanatical mountain-guide father who was determined to instill toughness in his son to a teen whose obsessive nature drove him to the top of the sport-climbing circuit. Caldwell's affinity for adventure then led him to the vertigo-inducing and little understood world of big wall free climbing. But his evolution as a climber was not without challenges; in his early twenties, he was held hostage by militants in a harrowing ordeal in the mountains of Kyrgyzstan. Soon after, he lost his left index finger in an accident. Later his wife, and main climbing partner, left him. Caldwell emerged from these hardships with a renewed sense of purpose and determination. He set his sights on free climbing El Capitan's biggest, steepest, blankest face the Dawn Wall. This epic assault took more than seven years, during which time Caldwell redefined the sport, found love again, and became a father. *The Push* is an arresting story of focus, drive, motivation, endurance, and transformation, a book that will appeal to anyone.
