drugs? Or is there a natural way that works better and is safer, faster, and cheaper? There is, and now Joan Mathews Larson, Ph.D., the brilliant nutritionist who founded Minnesota's esteemed Health Recovery Center, offers her revolutionary formulas for healing your emotions--biochemically. Twenty years of working with both addicted and nonaddicted patients has shown Larson that unhealthy and unstable moods are the result of the chemistry of our physical brains and are not psychological in origin. When you feed your imbalanced brain what it craves--the key essential fatty acids (EFAs), natural mind-body hormones, and the right amino acids--most mood swings, depressions, anxiety, and other upsets will disappear, even if they have a genetic basis. Through proven all-natural formulas, *Seven Weeks to Emotional Healing* will help you find the emotional stability and well-being you've been missing your entire life. Inside you'll discover how to - Screen yourself for emotional and behavioral symptoms - Recognize the mental and physical clues that indicate biochemical imbalances - Find an open-minded health practitioner - Eat the right foods for optimal mental fitness Dr. Larson also provides her unique anti-aging formula that restores sexual function, rejuvenates the immune system, elevates mood and energy levels, reduces stress, and expands your life span! *Seven Weeks to Emotional Healing* is both responsible and effective--and gives you the tools you need to find lasting emotional health and contentment for the first time in your life.

alleviate the causes of your distress! Filled with dozens of examples that clearly illustrate difficult yet essential points, Control Your Depression helps you gauge your progress, maintain the gains you make, and also determine whether you need further help. No one who has ever been immobilized by depression should be without this book.

In *Healing from Depression*, Douglas Bloch shares his struggle to stay alive amidst overwhelming despair and out-of-control anxiety attacks, and explains how the power of prayer and other holistic approaches ultimately led to his recovery. As one of the millions of Americans who suffer from depression, Bloch could not be helped by so-called “miracle” drugs. Therefore, he had to seek out conventional and alternative non-drug methods of healing. The result is a 12-week program that combines his inspirational story with a comprehensive manual on how to diagnose and treat depression, offering new hope and practical strategies to everyone who suffers from this debilitating condition. Complete with worksheets and goal sheets to customize individual plans, *Healing from Depression* is an accessible self-guided program for managing and recovering from depression. Acclaimed as a “life-line to healing,” this important book stresses the importance of social support, on going self-care activities like relaxation, nutrition, exercise, prayer, meditation, support groups, therapy and keeping a daily mood diary and gratitude journal.

Based on the highly effective, proven Therapeutic Lifestyle Change (TLC) program:

a practical plan for natural ways to treat depression -- without medication In the past decade, depression rates have skyrocketed, and one in four Americans suffer from major depression at some point in their lives. Where have we gone wrong? Dr. Stephen Ilardi sheds light on our current predicament and reminds us that our bodies were never designed for the sleep-deprived, poorly nourished, frenzied pace of twenty-first century life. Inspired by the extraordinary resilience of aboriginal groups like the Kaluli of Papua New Guinea, Dr. Ilardi prescribes an easy-to-follow, clinically proven program that harks back to what our bodies were originally made for and what they continue to need with these six components: Brain Food Don't Think, Do Antidepressant Exercise Let There Be Light Get Connected Habits of Healthy Sleep The Depression Cure's holistic approach has been met with great success rates, helping even those who have failed to respond to traditional medications. For anyone looking to supplement their treatment, The Depression Cure offers hope and a practical path to wellness for anyone.

A revolutionary prescription for healing depression and anxiety and optimizing brain health through the foods we eat, including a six-week plan to help you get started eating for better mental health. Depression and anxiety disorders are rising, affecting more than 58 million people in the United States alone. Many rely on therapy and medications to alleviate symptoms, but often this is not enough. Now, we know there has been a missing factor. With the latest scientific advances in neuroscience, nutrition, and the mind-gut connection, we have discovered that how and what we eat greatly affects how we feel, physically, cognitively, and emotionally. Our brains consume twenty percent of everything we eat. And when the brain is deprived of essential nutrients, we suffer. In this groundbreaking book, Dr Drew Ramsey helps us forge a path towards greater mental health through food. *Eat to Beat Depression and Anxiety* breaks down the science of Nutritional Psychiatry and explains what you should eat to positively effect brain health and improve mental wellness. Dr. Ramsey distills the latest research ground-breaking research on nutrition and the brain. By focusing on increasing brain cell health (neruoplasticity), reducing inflammation, and cultivating a healthy microbiome, he discusses the twelve essential vitamins and minerals most critical to your brain and body as well as anti-inflammatory foods which feed the gut. Ramsey helps readers to assess barriers to self-nourishment and offers techniques for enhancing motivation. To get us started, he provides a kick-starter Six-Week Depression and Anxiety Mental Health Food Plan to incorporate key food categories, like leafy
