Based on her popular Instagram @Hatecopy and her experience in a South Asian immigrant family, artist Maria Qamar has created a humorous, illustrated "survival guide" to deal with overbearing "Aunties," whether they're family members, annoying neighbors, or just some random ladies throwing black magic your way. We've all experienced interference from our Aunties—they are at family parties and friendly get-togethers, finding ways to make your life difficult, trying to get you to marry their sons, and telling you to lose weight while simultaneously feeding you a second dinner—and it has stunted our social growth and embarrassed us in front of our friends and cool cousins for years. This tongue-in-cheek guide is full of advice designed to help you manage Auntie meddling and encourages you to pursue your passions—from someone who has been through it all. Qamar confesses to throwing sweatshirts over crop-tops to get out of the house without being questioned, hiding her boyfriend in a closet, and enduring overbearing parents endlessly pressuring her to become a doctor, lawyer, or engineer. Holding onto your cultural identity is tough. Always interfering Aunties make it even harder. But ultimately, Aunties keep our lives interesting. As an Auntie-survivor and a woman who has lived the cross-cultural experience, Qamar defied the advice of her aunties almost every step of the way, and she is here to remind

you: Trust No Aunty.

The Life and Times of Birsa Munda The year: 1890–92. It was a time of turmoil when several Adivasis in the Chhotanagpur region were falling prey to the false preaching of the Christian churches and were forced to embrace Christianity. It was a ploy by the British to convert Adivasis into Christianity in an attempt to stem protests. Birsa Munda and his family also believed in the preaching initially and converted to Christianity. Soon, however, Birsa saw through the trickery and not merely did he convert to Hinduism again, he also convinced several Adivasis who had converted to Christianity to embrace Hinduism once again. It was this Birsa Munda who later became 'God' of the Adivasis and came to be regarded as 'Dharti-Aba' or 'Father of the Universe.' The British administration was jolted and in an attempt to nab Birsa announced a reward of Rs 500 for his arrest. The British trick worked and some greedy informers of the British captured Birsa when he was sleeping at night. This book, a biography of the great Adivasi leader, Birsa Munda, tries to capture some of the brave glimpses from the life of a daring revolutionary who gave up all he had to fight for the rights of his people and to ensure the freedom of his motherland.
