A guide to choosing digital showers & smart showers ...

Digital showers are an advancement on the regular mixer shower as it incorporates the latest shower technology to ensure you get the most invigorating shower possible. Like mixer showers, it functions by drawing hot and cold water and mixing them inside the valve to your get to your desired temperature. The digital shower mixer goes one step further and provides you temperature setting options at the touch of a button, as opposed to manual setting.

Smart Showers represent the cutting edge in shower technology. Retaining all the benefits of digital showers the smart shower goes a step further and allows you to programme and save specific shower settings for later use. You can save settings for a lazy Sunday morning shower and settings for a dash out of bed to rush to the office shower.

Now in its 179th edition, Laxton's has become a firm favourite in the UK Building Industry. With more prices and more in-depth build-ups, Laxton's offers more practical and complete information than any other price book available This new edition takes into account major price variations that stem frm raw material costs in the last few months. * Higher-fuel costs have impacted on prices across the board, in particular costs of non-ferrous metals in increased * Copper sheet and pipe show prince increases of well above 50% in the last year, while zinc, lead and aluminium prices have also risen significantly * There are savings in plaster and drainage goods, prices are down All the prices in Laxton's are based on the new 3 year Construction Industry Joint council wage rate agreement that came into force at the end of June 2006 *Saving you time - comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier *Saving you effort - all the information you need on each measured item is clearly set out on a single page, with a full break down of costs *Saving you money - all 250,000 prices are individually checked and updated to make sure that your tender costs are precise

Harvard Business Review is the most influential business journal in the world. It's the go-to source for the latest in business strategy, management, and innovation. The journal is published by Harvard Business School Press and is available online at hbr.org. The journal is a must-read for anyone interested in business and management. It's the most influential business journal in the world. It's the go-to source for the latest in business strategy, management, and innovation. The journal is published by Harvard Business School Press and is available online at hbr.org. The journal is a must-read for anyone interested in business and management.

A year's worth of management wisdom, all in one place. We've reviewed the ideas, insights, and best practices from the past year of Harvard Business Review to keep you up-to-date on the most cutting-edge, influential thinking driving business today. With authors from Marcus Buckingham to Amy Edmondson and company examples from Lyft to Disney, this volume brings the most current and important management conversations right to your fingertips. This book will inspire you to: Rethink whether constant, candid feedback really helps employees thrive Move beyond diversity and inclusion to creating a racially just workplace Adopt connected strategies that anticipate your customers' needs Navigate the challenges of dual-career relationships Understand when data creates competitive advantage—and when it doesn't Break through the organizational barriers that impede AI initiatives Lead in a new era of climate action This collection of articles includes “The Feedback Fallacy,” by Marcus Buckingham and Ashley Goodall; “Cross-Silo Leadership,” by Tiziana Casciaro, Amy C. Edmondson, and Sujin Jang; “Toward a Racially Just Workplace,” by Laura Morgan Roberts and Anthony J. Mayo; “The Age of Continuous Connection,” by Nicolaï Siggelkow and Christian Terwiesch; “The Hard Truth about Innovative Cultures,” by Gary P. Pisano; “Creating a Trans-Inclusive Workplace,” by Christian N. Thoroughgood, Katina B. Sawyer, and Jennica R. Webster; “When Data Creates Competitive Advantage,” by Andrei Hagiu and Julian Wright; “Your Approach to Hiring Is All Wrong,” by Peter Cappelli; “How Dual-Career Couples Make It Work,” by Jennifer Petriglieri; “Building the AI-Powered Organization,” by Tim Fountaine, Brian McCarthy, and Tamim Saleh; “Leading a New Era of Climate Action,” by Andrew Winston; and “That Discomfort You're Feeling Is Grief,” by Scott Brinato.

"There is usually a fine line between genius and insanity, but in this case it has become very blurred. Some of the funniest and most clever writing I have read in years." (Terrance Fielding, WIRED magazine) "I laughed so hard and uncontrollably I could hardly breathe. Reading this on public transport is not a good idea." (Penthouse magazine) "Brilliantly funny." (Jezabel.com) From the notorious Internet troublemaker who brought the world the explosively popular "Next Time I'll Spend the Money on Drugs Instead", in which he attempted to pay his chiropractor with a picture he drew of a spider; "Please Design a Logo for Me. With Pie Charts. For Free," which has been described as one of the most passed-on viral e-mails of all time; and, most recently, the staggeringly popular "Missing Missy", which has appeared everywhere from The Guardian to Andrew Sullivan's The Daily Dish, comes this profoundly funny collection of irreverent Internet mischief and comedy. Featuring all of Thorne's viral success, including "Missing Missy", The Internet Is a Playground culls together every article and e- mail from Thorne's wildly popular website 27b1aash6.com, as well as enough new material, available only in these pages, to keep you laughing-and, indeed, crying-until Thorne's next stroke-of-genius prank. Or hilarious hoax. Or well-publicized almost-stint in jail (really).

White Arkitekter, Scandinavia's leading interdisciplinary architecture practice, create environments that inspire sustainable ways of living. An employee-owned company, White is a collective of people interested in people. They are architects, anthropologists, planners, engineers, artists, sustainability experts, researchers, and more. In their new book, White showcase over 80 international projects. By integrating research and practice, their work pushes levels of sustainability even higher—it ‘makes sense’ in every way. Their projects range from residential apartments to trekking cabins, from schools to offices, from pop-up parks to nature reserves, and from hospitals to an entire city relocation. To build takes many hands and many minds—it’s a marriage of sensibility and sensitivity. The projects in Make Sense aim to make sense for a better future—for people and for the planet.

A totally revised new edition of the bestselling guide to business school basics The bestselling book that invented the "MBA in a book" category, The Portable MBA Fifth Edition is a reliable and information-packed guide to the business school curriculum and experience. For years, professionals who need MBA-level information and insight-but don't need the hassle of business school-have turned to the Portable MBA series for the very best, most up-to-date coverage of the business basics. This new revised and expanded edition continues that long tradition with practical, real-world business insight from faculty members from the prestigious Darden School at the University of Virginia. With 50 percent new material, including new chapters on such topics as emerging economies, enterprise risk management, consumer behavior, managing teams, and up-to-date career advice, this is the best Portable MBA ever. Covers all the core topics you'd learn in business school, including finance, accounting, marketing, economics, ethics, operations management, management and leadership, and strategy. Every chapter is totally updated and seven new chapters have been added on vital business topics Includes case studies and interactive web-based examples Whether you own your own small business or work in a major corporate office, The Portable MBA gives you the comprehensive information and rich understanding of the business world that you need.

The original, practical and comprehensive plumbing encyclopaedia * More entries than similar books * Fully up-to-date * Written by an expert - the author of three best selling plumbing books with over 20 years of teaching experience * Clear, concise text with full colour illustrations ensure plumbing technical terms are easy to understand and absorb The Plumbing Encyclopaedia has been written in encyclopaedic form to enable the student, plumber and heating engineer to find accurate information on specific aspects of their craft quickly. The book includes entries and definitions for over 2300 terms, components, techniques and working practices, clearly explaining the terminology used by plumbers. Topics covered include: * cold and hot water supplies * drainage * soldering and welding * hot water heating * radiant heating * solar heating * electrical work * sanitation * sheet weathering * gas and oil supplies * warm air heating * steam heating * air conditioning * building science * and many more British Standards and legislation related to plumbing continue to be updated, so terms and definitions must also be updated to reflect current use. With all entries scrutinised and updated where necessary to reflect these changes plus over 100 new entries the fourth edition of the Plumbing Encyclopaedia remains the definitive source for all plumbers. In addition, more than 400 full colour illustrations, redrawn since the previous edition, enhance the legibility and usefulness of the definitions.
