A poignant novel about a biracial girl living in the suburbs of Las Vegas examines the friendships that grow out of, and despite, her race.

Erotic memoir

Cuaderno del estudiante [Spanish student workbook] to be used with the English student textbook; may be used individually or as a source for blackline masters.

Stone shows how shared meanings can be learnt and expressed between autistic and non-autistic individuals, though they experience different perceptions of reality. She presents ways of creating autistic-friendly environments, modifying traditional responses to autistic behaviour and using literal learning, providing useful examples and exercises.

Cliff Richard has been Britain's longest surviving and most consistent hit music maker. Starting his career as a rock 'n' roll threat to decent, upstanding citizens, he is now a friend to Royalty and prime ministers, a Knight, and a holder of the OBE. This book tells his story chronologically, through the voices of his friends, family, and colleagues including songwriters, film directors, managers, and agents—like listening in on a dinner party attended by most of the key people in his career. The stories reveal Cliff as seen by those closest to him and, in contrast to the many official publications, this book does not just include the flattering stories. The author's probing questions have elicited extraordinary memories and observations, previously unheard by the public. Heavily illustrated with rare and interesting photographs of Cliff at work and play, this unique oral history will stand as a lasting testament to one of the most glorious careers in British show business.

HarperCollins is proud to present its incredible range of best-loved, essential classics.

Music Box Danseur is a ballet-based version of a dramatic and tragic love story set in London, England. Written in a fictional account the story profiles the often brilliant and highly turbulent on and off stage partnership between two of Europe's greatest professional male dancers.

A freak storm has spawned three tornadoes that are bearing down on the town of Summerville. Yet under the cover of the storm looms a much more ominous threat: A vindictive killer known as Red who's left a string of victims in his wake and is now bent on exacting his final revenge on the unsuspecting town. But there is an enigma surrounding Red that the FBI is unwilling to admit—closely guarded secrets of something gone terribly wrong beneath the skin of Summerville. Secrets that will destroy far more than one small town. Wendy Davidson is caught in the middle. She's a recovering cult survivor who takes refuge in Summerville on her way to visit her estranged mother. And with her, four strangers, any of whom could be the next victim . . . or the killer.

He's all business all the time. Now he's suddenly a dad. Fiddle player Eliza Bancroft had to improvise after an unplanned pregnancy four years ago. Instead of pursuing her dream of performing live music, she changed keys and has focused on being a good mom and a sought-after studio musician in Nashville. Her rhythm is set until she spots her son's father in a local magazine and realizes the man she was unable to track down lives right under her nose in Music City. As head of the family and CEO of North Brothers Sports, Mason North doesn't have time for play. His life mission is to build the family business—his father's legacy—so it can thrive for years to come. When the company's future becomes endangered, he mounts a full-scale assault to protect what matters the most. Then an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Though they come from different worlds, the attraction from before still hums between Eliza and Mason. But Mason has spent a lifetime entrenched solely in business, and Eliza has two hearts to protect. Can he embrace a more harmonious approach and give them a second chance at love? True Harmony is the fourth stand-alone book in the North Brothers series and includes a steamy second-chance romance for a workaholic CEO and a single-mom fiddle player, an overzealous dog named Blitz, and a three-year-old in need of a dad. Submerge yourself into the North Brothers' world now! If you enjoy books by Jill Shalvis, Zoe York, BJ Harvey, Piper Rayne, Molly McAdams, Lori Wilde, Melissa Foster, Bella Andre, Claudia Burgoa, Alexa Rivers, JH Croix, Christine DePetrillo, Melissa Chambers, or Amanda Torrey, chances are, you'll love Amy Knupp's Island Fire series. ***** second chance romance, CEO, secret baby, accidental pregnancy, one-night stand, wealthy hero, opposites attract, single mom, kid in need of a father

18+ for language and sexual content! Alex ' Hawk ' James has a sordid and violent past, one that, in part, leaves him the single father of a little girl. His only solace is the world he's made within the Dogs of Fire Motorcycle Club. Payton Williams has everything under control.

Her neat little world is as she has made it and she ' s happy with the life she ' s leading. But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she ' d been happy to gloss over... until now. Will Hawk and Payton ' s different worlds collide in chaos, or will they come together and heal the wounds of the past? Will a threat from someone out of Hawk ' s past destroy the trust he and Payton are building?
