"Wild Cards" Words--All Grades, including pronunciation guide and definitions (selected words from Old English) Additional Resources: [www.spellingbee.com](http://www.spellingbee.com) – official Scripps National Spelling Bee (SNSB) website “ How to Study for a Spelling Bee ” (from [www.spellingbee.com](http://www.spellingbee.com)) – article by Dr. Jacques Bailly, pronouncer at SNSB

Does your child dream of winning a school spelling bee, or even competing in the Scripps National Spelling Bee in the Washington, D.C., area? You've found the perfect place to start. Words of the Champions: Your Key to the Bee is the new official study resource from the Scripps National Spelling Bee. Help prepare your child for a 2020 or 2021 classroom, grade-level, school, regional, district or state spelling bee with this list of 4,000 spelling words. The School Spelling Bee Study List, featuring 450 words, is part of the total collection. All words in this guide may be found in our official dictionary, Merriam-Webster Unabridged (<http://unabridged.merriam-webster.com/>)

The State of the World's Land and Water Resources for Food and Agriculture is FAO's first flagship publication on the global status of land and water resources. It is an 'advocacy' report, to be published every three to five years, and targeted at senior level decision makers in agriculture as well as in other sectors. SOLAW is aimed at sensitizing its target audience on the status of land resources at global and regional levels and FAO's viewpoint on appropriate recommendations for policy formulation. SOLAW focuses on these key dimensions of analysis: (i) quantity, quality of land and water resources, (ii) the rate of use and sustainable management of these resources in the context of relevant socio-economic driving factors and concerns, including food security and poverty, and climate change. This is the first time that a global, baseline status report on land and water resources has been made. It is based on several global spatial databases (e.g. land suitability for agriculture, land use and management, land and water degradation and depletion) for which FAO is the world-recognized data source. Topical and emerging issues on land and water are dealt with in an integrated rather than sectoral manner. The implications of the status and trends are used to advocate remedial interventions which are tailored to major farming systems within different geographic regions.

Discusses the origins and rules of spelling bees; provides advice on study techniques, word origins, and spelling rules; and offers word lists, drills, and puzzles to aid spellers.

"40+ bite-size stories, quizzes, and puzzles to make spelling and word use fun!"--Cover.

-This book reveals a surprising ignorance on the part of unelected federal officials regarding the life circumstances and opinions of average Americans as well as an attitude of condescension---

Eliza Naumann, a seemingly unremarkable nine-year-old, expects never to fit into her gifted family: her autodidact father, Saul, absorbed in his study of Jewish mysticism; her brother, Aaron, the vessel of his father's spiritual ambitions; and her brilliant but distant lawyer-mom, Miriam. But when Eliza sweeps her school and district spelling bees in quick succession, Saul takes it as a sign that she is destined for greatness. In this altered reality, Saul inducts her into his hallowed study and lavishes upon her the attention previously reserved for Aaron, who in his displacement embarks upon a lone quest for spiritual fulfillment. When Miriam's secret life triggers a familial explosion, it is Eliza who must order the chaos. Myla Goldberg's keen eye for detail brings Eliza's journey to three-dimensional life. As she rises from classroom obscurity to the blinding lights and outsized expectations of the National Bee, Eliza's small pains and large joys are finely wrought and deeply felt. Not merely a coming-of-age story, Goldberg's first novel delicately examines the unraveling fabric of one family. The outcome of this tale is as startling and unconventional as her prose, which wields its metaphors sharply and rings with maturity. The work of a lyrical and gifted storyteller, *Bee Season* marks the arrival of an extraordinarily talented new writer.
