Join twins Mia and Maddie and their sidekick little sister, LuLu, as they travel the country finding adventure, mystery, and sometimes mischief along the way. Together with their famous mother, singer Gloria Glimmer, and their slightly wacky nanny Miss Twist, the sisters learn lessons about being good friends, telling the truth, and a whole lot more. In A Dolphin Wish a three-night stop in the city of San Diego seems like it might be just the break the girls need—lovely weather and great sights to see. That is until they hear animal handlers at “Watery World” talking about the trouble they’ve been having keeping the animals in their habitats. Mia and her sisters cannot resist a challenge and they talk Miss Twist into another visit to the educational amusement park to search for clues as to what or who is helping the animals escape.
