An urgent manifesto and a dramatic memoir of awakening, this is the story of revolutionary love. Finalist for the Dayton Literary Peace Prize • " In a world stricken with fear and turmoil, Valerie Kaur shows us how to summon our deepest wisdom. " —Elizabeth Gilbert, author of Eat Pray Love How do we love in a time of rage? How do we fix a broken world while not breaking ourselves? Valerie Kaur—renowned Sikh activist, filmmaker, and civil rights lawyer—describes revolutionary love as the call of our time, a radical, joyful practice that extends in three directions: to others, to our opponents, and to ourselves. It enjoins us to see no stranger but instead look at others and say: You are part of me I do not yet know. Starting from that place of wonder, the world begins to change: It is a practice that can transform a relationship, a community, a culture, even a nation. Kaur takes readers through her own riveting journey—as a brown girl growing up in California farmland finding her place in the world; as a young adult galvanized by the murders of Sikhs after 9/11; as a law student fighting injustices in American prisons and on Guant á namo Bay; as an activist working with communities recovering from xenophobic attacks; and as a woman trying to heal from her own experiences with police violence and sexual assault. Drawing from the wisdom of sages, scientists, and activists, Kaur reclaims love as an active, public, and revolutionary force that creates new possibilities for ourselves, our communities, and our world. See No Stranger helps us imagine new ways of being with each other—and with ourselves—so that together we can begin to build the world we want to see.

In the midst of a health and career crisis, Valerie uncorks years of pent up rage, and discovers you don't have to be happy to be happy. You don't have to love everyone else to like yourself. And that your Bitchy Twin might just be your funniest, most valuable and honest ally. "The hate in you has got to come out." After being advised to reduce stress by her doctor, humorist Valerie Frankel realized the biggest source of pressure in her life was maintaining an unflappable easing-going persona. After years of glossing over the negative, Frankel goes on a mission of emotional honesty, vowing to let herself feel and express all the toxic emotions she'd long suppressed or denied: jealousy, rage, greed, envy, impatience, regret. Frankel reveals her personal History of Hate, from mean girls in junior high, selfish boyfriends in her twenties and old professional rivals. Hate stomps through her current life, too, with snobby neighbors, rude cell phone talkers, scary doctors and helicopter moms. Regarding her husband, she asks, "How Do I Hate You? Let Me Count the Ways." (FYI: There are three.) By the end of her authentic emotional experience, Frankel concludes that toxic emotions are actually good for you. The positive thinkers, aka, The Secret crowd, have it backwards. Trying to ward off negativity was what'd been causing Frankel's career stagnation, as well as her health and personal problems. With the guidance of celebrity friends like Joan Rivers and psychic Mary T. Browne, Frankel now uses anger, jealousy and impatience as tools to be a better, balanced and deeper person. IT'S HARD NOT TO HATE YOU sends the message that there are no wrong emotions, only wrong ways of dealing with them.
