Sabine Rose is determined to become a “ normal ” teenager. She hides her psychic powers, but she can ’ t seem to get Opal, her spirit guide, out of her head. Suspected of a crime she didn ’ t commit, Sabine must defend herself and save a friend ’ s life.

After getting kicked out of school and sent to live with her grandmother, Sabine Rose is determined to become a "normal" teenage girl. She hides her psychic powers from everyone, even from her grandmother Nona, who also has "the gift." Having a job at the school newspaper and friends like Penny-Love, a popular cheerleader, have helped Sabine fit in at her new school. She has even managed to catch the eye of the adorable Josh DeMarco. Yet, Sabine can't seem to get the bossy voice of Opal, her spirit guide, out of her head... or the disturbing images of a girl with a dragonfly tattoo. Suspected of a crime she didn't commit, Sabine must find the strength to defend herself and, later, save a friend from certain danger.

In the thrilling climax to THE SEER series, Sabine Rose ’ s psychic abilities, sleuthing skills, and courage are pushed to a dangerous edge as she deals with the mysterious disappearance of her ex-boyfriend Josh, a new threat against her boyfriend Dominic, evil magicians (both living and dead)—and a cold-blooded murderer.

Frankie feels left out of the twins' activities until she meets a girl at the beach who looks just like her.

Sabine Rose from The Seer series teams up with Amber Borden from the Dead Girl series in this exciting short story by Linda Joy Singleton. After getting kicked out of school and sent to live with her grandmother, Sabine Rose tried to ignore her troublemaking psychic abilities. All she wanted was to be a normal teen. But the spirit world has other plans for her. Amber Borden is a high school student and aspiring talent agent with an unexpected side-job: she ’ s a Temp Lifer. By temporarily stepping into the bodies of people who are suffering, Amber navigates their daily lives and tries to fix their problems. Luckily her loyal boyfriend, Eli, has been very supportive—even during that freaky time when Amber inhabited his sister ’ s body. When Sabine ’ s boyfriend, Dominic, loses his own body to a revenge-obsessed Dark Lifer—one of the disturbed souls who “ borrow ” living people ’ s bodies to do their dirty work—Sabine goes to Amber for help. Working together to find and free Dominic, the girls begin to unravel the Dark Lifer ’ s twisted plan of vengeance. But it throws them directly into the path of the troubled soul ’ s murderous rage . . . Bonus: Tantalizing excerpts from Singleton ’ s hit books Don ’ t Die, Dragonfly and Dead Girl Walking, and a sneak peek at her latest page-turner, Buried.

When Tashi, the rigidly formal sixteen-year-old Fourth Crown Princess of the Blue Crescent Islands, reluctantly weds roguish eighteen-year-old Prince Ramil of Gerfal, their religious, cultural, and personal differences threaten to end their political alliance and put both countries at the mercy of a fearsome warlord.

In ShareHaven, death is not the end. Centuries ago the ShareHaven Scientists discovered how to harvest a person's memories and transplant them into another body. Jennza has been raised knowing that someday she will join a Family and receive the memories of one of their beloved lost family members. Although the other teens are excited by the prospect, Jennza worries. After receiving a lifetime of new memories, will Jennza still be Jennza?"

Goth girl Thorn and her family move to Nevada where Thorn meets a mysterious masked young man and follows psychic vibrations from a locket to a shocking, long-buried secret.

Find out why a cat is the purrfect pet in this fantastically funny picture book! A sparkly necklace for me? Yes, I am beautiful. Thank you very much. See how perfect I am? What makes cats better than dogs? Is it how gracefully they leap through the air? How much smarter they are than dogs? How much more musical and cleaner they are? Or is it how good they are at making you think they're all these things? Find out why cats are the purrfect pet in this fantastically funny picture book!

When Goosey tells Lucy that they can't be sisters because she's a goose and Lucy is a dog, Lucy tries to prove that she's a goose, too! LUCY: I love you, Goosey. You are my big sister. GOOSEY: No, I am a goose. You, Lucy, are a dog. LUCY: Look! I have glossy goosey feathers. GOOSEY: Those are not feathers. They are leaves. Lucy loves her big sister, Goosey, very much! However, there's one problem . . . Goosey doesn't think that Lucy is her sister, because Lucy is a dog. Lucy tries to show Goosey just how good of a goose she is. She displays her glossy goose feathers (made up of leaves), her goose honk (bark), and her nest of eggs (rocks), but Goosey isn't convinced. Lucy may not be able to make Goosey think that she's a goose, but she is able to show her love for her big sister when she uses her loud bark to protect Goosey's eggs from danger.
