Don't Move › Customer reviews ... The movie succeeds better, perhaps because Sergio Castellitto, one of Italy's most talented actors, is the husband of Margaret Mazzantini. A reader must work hard to suspend disbelief at more than one place along the written way, however. First of all, I hardly believe that a father would describe intimate ...

Called to the hospital when his fifteen-year-old daughter, Angela, is injured in a potentially fatal accident, a prominent surgeon sits and waits, silently confessing the affair he had the year Angela was born. As Timoteo ' s tale begins, he ' s driving to the beach house where his beautiful, accomplished wife, Elsa, is waiting. Car trouble forces him to make a detour into a dingy suburb, where he meets Italia – unattractive, unpolished, working-class – who awakens a part of him he scarcely recognizes. Disenchanted with his stable life, he seizes the chance to act without consequences, and their savage first encounter spirals into an inexplicable obsession. Returning again and again to Italia ' s dim hovel, he finds himself faced with a choice: a life of passion with Italia, or a life of comfort and predictability with Elsa. As Angela's life hangs in the balance, Timoteo's own life flashes before his eyes, this time seen through the lens of the one time he truly lived.

Gemma returns with her teenage son to war-scarred Sarajevo to teach him about the city of his birth and the father he never knew, a journey that causes her to experience vivid memories.

This international bestseller is a sweeping portrait of motherhood, loss, and redemption in war-torn Sarajevo. Filled with memories of the four-year siege of Sarajevo, Gemma reluctantly boards a flight from her native Rome to that war-scarred city with her sixteen-year-old son, Pietro. She hopes to teach her son about the city of his birth and about Diego, the father he never knew. Once there Gemma is caught between the present and the past, reliving her love affair with Diego, their determination to start a family, and their deep connection to Sarajevo even as the threat of war loomed. In this haunting and sophisticated novel, Mazzantini masterfully probes the startling emotional territory of what makes a family–particularly what makes a mother. As the fate of Sarajevo converges with Gemma's all-consuming desire to have a child we see how far she is driven, in a stunning revelation that is both heartbreaking and cathartic. Brought to life by an unforgettable cast of characters, Twice Born is a tale of the acts of brutality and generosity that war can inspire. A blockbuster bestseller in Mazzantini's native Italy, it has taken Europe by storm and will soon be published around the world.

When the Water is Safer than the Land As Gaddafi clings to power in Libya, Farid and his mother Jamila chance their luck on the hazardous crossing to Sicily. But as they hunker down in a trafficker ' s battered old boat, the vastness of the Mediterranean begins to dawn. Meanwhile, in Sicily, Vito wanders the desolate beaches recalling his mother ' s stories of her idyllic childhood in Libya. She has never forgotten – nor forgiven – the forces that tore her from her childhood love, a young Arab boy whose fate was very different from her own. Moving back and forth between the continents, this deeply moving portrait focuses on two families and one stretch of water, and in terse, lyrical language, captures perfectly the dark, uncertain quality of our times.

The phenomenal New York Times bestseller that “ explores the upstairs-downstairs goings-on of a posh Parisian apartment building ” (Publishers Weekly). In an elegant h ô tel particulier in Paris, Ren é e, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she ' s everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Ren é e has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she ' s come to terms with life ' s seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Ren é e hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “ teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors ” (Kirkus Reviews). “ The narrators ' kinetic minds and engaging voices (in Alison Anderson ' s fluent translation) propel us ahead. ” —The New York Times Book Review “ Barbery ' s sly wit . . . bestows lightness on the most ponderous cogitations. ” —The New Yorker

This annotated enumerative bibliography lists all English-language translations of twentieth- and twenty-first-century Italian literature.

Vivid, bawdy and bitter' (The Times), Pat Barker's first novel shows the women of Union Street, young and old, meeting the harsh challenges of poverty and survival in a precarious world. There's Kelly, at eleven, neglected and independent, dealing with a squalid rape; Dinah, knocking on sixty and still on the game; Joanne, not yet twenty, not yet married, and already pregnant; Old Alice, welcoming her impending death; Muriel helplessly watching the decline of her stoical husband. And linking them all, watching over them all, mother to half the street, is fiery, indomitable Iris.

Winner of the prestigious Akutagawa Prize, three dream-like tales of memory and war: part of our Japanese novella series, showcasing the best contemporary Japanese writing A Japanese man, far from home, travels the countryside of Normandy with a friend - talking about war, literature, and everything in between. As his ideas of his life become more entangled with his personal writing, the pangs of his past and his half-forgotten memories overlap and threaten his peace. Owing a debt to French writers from La Fontaine to Proust, the three fable-like tales in The Bear and the Paving Stone are stories of loss, memory and a longing to belong.
