Don't listen to all the haters about how this book is racist and sexist. Get over it, Don't Stop the Carnival was written in the 60's, when it was a different time. Herman Wouk does simply describe the characters in this book and in a stereotypical way, but at least to me, not in any hateful way.

Herman Wouk is beachcombing and this is his first comedy. (He was a gag writer some years ago.) The title is from a calypso song; the scene is a pleasantly suntanned Caribbean island; and the story is one big planter's punch, only not so heady, about a hotel venture-fiasco as undertaken by New Yorker Norman Paperman who buys the Gull Reef Club for five thousand dollars.

First, this is a book from the early 60s and must be understood as such. It is dated and hardly "woke" by modern standards. Despite this, Don't Stop the Carnival is a hilarious romp by Wouk, a wonderful window into a certain post-war mindset, and perfectly executed by this narrator. Disenchanted with his life as a publicity agent in New York, Norman Paperman buys a hotel on a Caribbean island

It's everyone's dream: to leave behind the rat-race of the working world and start life all over again amidst the cool breezes, sun-drenched colours, and rum-laced drinks of a tropical paradise. This is the story of Norman Paperman, a New York City press agent who, facing the onset of middle age, runs away to a Caribbean island to reinvent himself as a hotel keeper. Pulitzer Prize-winning author Herman Wouk, who himself lived on an island in the sun for seven years, draws on his own experiences to tell a story at once brilliantly comic and deeply moving about a man's search for happiness, and for himself.

96-year-old author of Pulitzer Prize-winning *The Caine Mutiny* pens an ingeniously witty novel about the life of Moses. For more than 50 years, Herman Wouk has dreamed of writing a novel about the life of Moses. Finally, at the age of 96, he has found an ingeniously witty way to tell the tale of *The Lawgiver*, a romantic and suspenseful epistolary novel about a group of people trying to make a movie about Moses in the present day. At its centre is Margo Solovei, a brilliant young writer-director who has rejected her father's strict Jewish upbringing to pursue a career in the arts. When an Australian multi-billionaire promises to finance a movie about Moses, Margo does everything she can to land the job, including a reunion with her estranged first love, an influential lawyer with whom she has unfinished business. * Visit Herman Wouk's website at www.hermanwouk.net 'Endearing and light-hearted' Michael Prodger, FT

Herman Wouk's classic novel moves on from the grand themes which have won him international acclaim - war, the fate of nations, and the indomitable spirit of man - to the quest for identity, in the clash between the Inside of faith and family and the Outside of the glittery American dream. *Inside, Outside* sweeps through more than sixty years, from the pre-war, pre-atomic innocence of the twenties and thirties to the turbulent immediate past. Scenes of rollicking family humour and show-business comedy alternate with sudden tragedy, the spectacle of a falling President and the explosion of war. A bittersweet first love, relived after forty years, and a tense secret wartime mission between Washington and Jerusalem call forth the author's renowned storytelling gift. An intense, personal book about intimate things, *Inside, Outside* is a merry, poignant, sometimes ribald picture of the American Jewish experience, by a master at the peak of his powers.

In honor of his fiftieth birthday, the popular singer-songwriter and author shares reminiscences about his life, tracing his odyssey from reporter to musical success.

With this rollicking novel hailed equally for its satiric bite, its lightly borne scientific savvy, and its tender compassion for foible-prone humanity, one of America's preeminent storytellers returns to fiction. Guy Carpenter is a regular guy, a family man, an obscure NASA scientist, when he is jolted out of his quiet life and summoned to the corridors of power in Washington, D.C. Through a turn of events as unlikely as it is inevitable, Guy finds himself compromised by scandal and romance, hounded by Hollywood, and agonizingly alone at the white-hot center of a firestorm ignited as three potent forces of American culture -- politics, big science, and the media -- spectacularly collide.

In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks in the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half-brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of their family, this is a novel of love and magic set against the emergence of Saint Thomas into the

modern world.

Now hailed as a "proto-feminist classic" (Vulture), Pulitzer Prize winner Herman Wouk's powerful coming-of-age novel about an ambitious young woman pursuing her artistic dreams in New York City has been a perennial favorite since it was first a bestseller in the 1950s. A starry-eyed young beauty, Marjorie Morgenstern is nineteen years old when she leaves home to accept the job of her dreams--working in a summer-stock company for Noel Airman, its talented and intensely charismatic director. Released from the social constraints of her traditional Jewish family, and thrown into the glorious, colorful world of theater, Marjorie finds herself entangled in a powerful affair with the man destined to become the greatest--and the most destructive--love of her life. Rich with humor and poignancy, Marjorie Morningstar is a classic love story, one that spans two continents and two decades in the life of its heroine. "I read it and I thought, 'Oh, God, this is me.'" --Scarlet Johansson
