We have seen the future. A universe cursed with life after death. It all started deep beneath the Yucatan peninsula, where an archaeological discovery took us into a new age, bringing us face-to-face with our origins and destiny...

The universe is under threat and an ancient alien intelligence threatens to bring humanity down unless Major Sanda Greeve and her crew can stop it in the final book of this explosive Philip K. Dick award nominated space opera. The code has been cracked. The secrets of the Casimir gates have been revealed. But humanity still isn't safe. The alien intelligence known as Rainier and her clones are still out there, hell-bent on its destruction. And only Sanda can stop them. With the universe's most powerful ship under her command and some of the most skilled hackers, fighters, and spies on her team, it will still take everything she has to find the key to taking down an immortal enemy with seemingly limitless bodies, resources, and power.

A distant human colony discover that they aren ' t as alone as they first thought... As the dead begin to rise as horrific monsters, can P-SEC Sgt. Abraham Neumann contain the threat? What role does the mysterious Church of Unitology have in all of this? And can any of them make it out alive...?
