I checked my rearview mirror for the thousandth time and released a slow breath. Nothing behind me. Seemed I was the only one foolish enough to brave the weather in an attempt to escape. With each blur past my driver side, it meant a new destination, a new start, only to end the same old way. Who am I? Have you ever had to ask yourself that question? Does the answer change often? It does for me. Today, I'm Naomi Perks. Funny. Just yesterday, I was Amber Perkins. A new town, a new name. Might seem strange to most, but it's become routine for me. Naomi Perks is young, vibrant, and sexy with "killer" moves, ready to snatch up the heart and money of the perfect man. But when she meets Ethan, a handsome jock with a good heart, she becomes conflicted in her desires. Has she finally met the one person who could change her life for the better? But Naomi's not the only one on the fence. Ethan's new friend, Jillian, a beautiful, nerdy, computer geek trying to find herself, has possibly stolen his heart as well. Caught in between, Ethan discovers all these two women have to offer, and he's forced to choose between his heart and his head... One path may lead to his untimely demise. Tarlin Saye's romantic thriller, full of love, passion, and blood, leaves readers with the question: Is seduction convincing someone to follow you? Or making them believe it was their idea to begin with? Find the answer in **Bloody Beautiful**.

Moving to a South Pacific island from small town Oklahoma, sixteen year old Nancy Sanders trades cruising Main Street in search of tater tots for strolling sandy shores with islanders who feast on sea worms and summon sharks with song. With a dash of teenage sass, MANGO RASH chronicles Nancy's search for adventure—and identity—in two alien realms: the tricky terrain of adolescence and the remote U.S. territory of American Samoa. Against a backdrop of lava-rimmed beaches, frangipani-laced air, and sensual music, Nancy immerses herself in 1960s island culture with a colorful cast of Samoan and American expat kids. But life is not one big beach party, Nancy soon finds, when she clashes with her parents over forbidden boys and discovers double standards in the expat community. Samoa, too, is experiencing growing pains as ancient customs collide with 20th-century ways. In the midst of all this, a hurricane shatters the peaceful paradise, delivering lessons in attachment and loss, strength and survival. Like Nancy, readers of this unforgettable memoir will fall in love with Samoa's biscuit-tin drum serenades, its mountains like mounds of cut velvet cushions, and its open-hearted people, who face adversity with grace. And just as Nancy does when her own health crisis thrusts her into a very different kind of unfamiliar territory, readers will draw strength from fa'a Samoa: the Samoan Way. In language as lush as the island landscape, MANGO RASH enchants, entertains, and, ultimately, inspires with its message about embracing and learning from other cultures.

Confusing Textbooks? Missed Lectures? Tough Test Questions? Fortunately for you, there's Schaum's Outlines. More than 40 million students have trusted Schaum's to help them succeed in the classroom and on exams. Schaum's is the key to faster learning and higher grades in every subject. Each Outline presents all the essential course information in an easy-to-follow, topic-by-topic format. You also get hundreds of examples, solved problems, and practice exercises to test your skills. This Schaum's Outline gives you Practice problems with full explanations that reinforce knowledge Coverage of the most up-to-date developments in your course field In-depth review of practices and applications Fully compatible with your classroom text, Schaum's highlights all the important facts you need to know. Use Schaum's to shorten your study time-and get your best test scores! Schaum's Outlines-Problem Solved.

This best-selling book is also “#1 book in motorcycle safety” (Nielsen BookScan) and essential reading for all motorcyclists regardless of their years of experience. Author David L. Hough, a revered motorcycle author, columnist, and riding-safety consultant, lays out a clear course for all riders who want to sharpen their handling skills and improve their rides. This second edition, expanded and now in full color, offers new riders and road warriors the exact kind of advice they need to be prepared for anything when on the road, how to avoid accidents, and how to handle the unexpected. Hough, who began motorcycling in the 1960s, tackles every imaginable topic—from the mechanics of the bike, selection of the right-sized bike, and basic riding skills to night riding, group outings, and advanced survival tactics. In the chapter called “Motorcycle Dynamics,” Hough spells out the equipment needed and basic skills required to control a bike, and specifically keeping the rider's safety and ability to avoid potentially injurious or fatal crashes. The author is outspoken and direct when it comes to safety, and he emphasizes the importance of the rider's braking abilities and spells out how to improve them. The chapter offers six tried-and-true techniques for quick-stop tactics, critical for every rider to understand and master. He also addresses other vital skills that riders need to evaluate and improve, such as turning, maintaining balance and stability, and steering. He defines, compares, and analyzes the ins and outs of steering and control: direct steering, countersteering, push steering, out-tracking, coning, u-turns, and directional control. The chapter called “Cornering Habits” is a virtual master class in acceleration, deceleration, use of weight, throttle, leaning, and handling challenging terrain. Hough's skill as a photographer and illustrator adds a graphic element to his books that leads to immediate understanding of the concepts he explains. The detail offered in each section of the book can only come from decades on the road, and the author is the consummate instructor, assigning homework to the readers in the form of exercises to practice and improve specific techniques that he outlines and illustrates in the text. Any rider who would venture out on the road without David Hough's voice in his head takes an unnecessary risk with his own life. Proficient Motorcycling takes riders from long, snaking country roads right into the traffic of the big city, and Hough offers the best advice for riders dealing with the most challenging conditions, whether it's road construction, snap-jawed intersections, skateboarders, or suddenly slippery road surfaces. A critical section of the book offers riders advice on how to deal with automobiles, including aggressive car drivers, oblivious SUV drivers, or “blind” truck drivers. The book offers the kind of first-hand experience that can literally save riders' lives, as illustrated in the chapters “Booby Traps” and “Special Situations,” which offer evasive tactics and advice to avoid and handle everything from slick surfaces, curbs, and construction plates to ferocious dogs, hazardous wildlife, and difficult weather conditions. The final chapter of the book, “Sharing the Ride,” is geared toward experienced riders who travel together in groups or who travel with a second passenger on the bike. Topics covered are formation, packing for trips, communication between riders, sidecars, trikes, and more. The book concludes with a resources section of organizations, training schools, educational tools, and websites; a glossary of 80+ terms; and a complete index.

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

"I remember waking up one day on a solo motorcycle adventure. My first conscious sensation of the day was the cool air on my face, and the sound of a bird singing joyfully, just outside my tent. The warm light of the sun had already begun to fill my tent as it mixed with the cool, crisp morning air." - Tim CollinsMotorcycles and camping go hand in hand. This comprehensive, practical guide--perfect for novice and pro motorcycle campers alike--outlines all you need to know to prepare for, survive, and enjoy the great outdoors on your motorcycle. The Fundamentals of Motorcycle Camping covers how to make wise riding and camping gear choices to meticulously assemble your perfect motorcycle camping setup, avoid common pitfalls while planning your trip, master all the logistics, and implement wilderness survival tactics to deal with potential hazards in the wild.-Route planning and finding campsites-Intricacies of riding and camping gear-Techniques for loading gear safely on your bike-Food storage, filtering water, and cooking at camp-Weather issues: Thunderstorms, rain, wind, and extreme temperatures-Dangerous plants and animals in the wild-Equipment storage and care to extend the life of your gear-Getting the most enjoyment out of your motorcycle camping ?Tim Collins is an experienced motorcycle camper with a passion for venturing off on his motorcycle towards the horizon to sleep out under the stars. His desire to share the many benefits of this immersive, budget-friendly, adventurous and rewarding hobby has motivated him to assist others to find their bliss on the road.
