Welcome to The Little Book of Pussy, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

This devoted compendium to the female derriere packs a whole lot of big booty into one petite treat of a book. Featuring more than 150 images of the biggest and best rears from The Big Book of Butt, including 30 new mouth-watering images, it's one irresistible ode to voluptuous curves from the 1950s to today.

Touko Laaksonen, better known as Tom of Finland, enjoyed an intense cult in the international gay community but was largely unknown to the broader audience. This collector's edition contains nearly 1,000 images along with essays on the artist's social impact.

The origin of the world for pocket change! Gustave Courbet got it right in 1866 when he painted a voluptuous woman's furry cleft and titled it L'Origine du monde. We all come from the pussy and half of us spend our lives trying to climb back in--now you can carry 150 of the best right in your back pocket.

Over 150 of the choicest photos from the original volume into a compact and adorable package. From Betty Grable to Bettie Page, the greatest legs of the 20th Century can be found within, shot by Irving Klaw, Bunny Yeager, and the incomparable Elmer Batters, father of leg art. There are silk and nylon stockings, high heels in abundance, curvy...

Don't let the compact size fool you: Within these modest covers waits a wealth of soft, natural, superlative breasts proudly displayed by top glamour models of the 1950s, '60s and '70s. Compiled from the original 398-page edition of The Big Book of Breasts as well as subsequent Big Breast Calendars for 40% new content.

This fresh edition of The Big Book of Pussy reframes not just the subject, but the format of this popular volume in the portable and affordable Bibliotheca Universalis size, meeting the needs of readers like the gentleman who commented on Amazon, "Who wants a two-ton Pussy Book being 'exposed' for the mailman?" Complete with more than 400...

Off guard: Young World War II allied soldiers laid bare Every harrowing day for a serviceman during World War II was potentially his last. To help bolster troops against the horrors of combat, commanders encouraged them to form tight buddy relationships for emotional support. Many war buddies, together every moment, and depending on each other to survive, formed intimate friendships. When they weren t fighting side by side, they relaxed together, discharging tension in boisterous sometimes naked play. The full extent of nude horseplay among men during World War II can t be known, as cameras were rare and film hard to process, but some men did document this unprecedented male bonding in small, anonymous photos mostly kept hidden away until their deaths. Los Angeles photographer Michael Stokes has spent years searching out these photos and building an archive of over 500 images. His collection includes soldiers and sailors from Australia, England, France, Italy, Poland, Russia, and the USA, cavorting on the sand in the South Pacific, shivering in the snow of Eastern Europe, posing solo in the barracks, and in great happy groups just about everywhere. These images show men barely out of boyhood, at their physical peak, responding to the reality of battle by living each day to the fullest a side of the war never before made public. The introduction is by Scotty Bowers, an 89-year-old ex-Marine and author of Full Service, the best-selling memoir of his sexual exploits in Hollywood, and how the war forever altered his attitudes about gay and straight, just as these photos may alter our attitudes about World War II and war buddies. Text in English, French, and German "

Compact in format but no less magnificently endowed, The Big Penis Book will delight even the most hardened aficionado of the male member. No half-cocked measures here, as we celebrate the rampant hardware of 150 models from the 1940s to the '90s, including photos by Bob Mizer of AMG, David Hurler of Old Reliable, and Rip Colt of Colt Studio.

This third book of Hanson's wildly successful body parts series explores how revealing the female leg became central to women's liberation, beginning with the French Revolution and ending with the sexual revolution.
