LeRoi Dresser | Product categories | Pacific Air Compressors

The best time to rebuild your compressor air end is before it fails. The life of the air-end depends on LeRoi ' s manufacturing, the environment the compressor runs in, the maintenance program that has been used on the compressor, the type of oil the compressor uses, and the way that the compressor is used.

Airend Rebuilding for LeRoi Air Compressor

Just like any credible company in the field of manufacturing, LeROI Air Compressor has in place an effective customer support system. This is necessary as parts and even the machine itself may encounter operational difficulties while in use and even during its warranty period.
