"An intriguing dark psychological thriller—truly brilliant!" --Lisa Jackson I have a gardener's inherent belief in the natural order of things. Soft?petalled flowers that go to seed. The resolute passage of the seasons. Swallows that fly thousands of miles to follow the eternal summer. Children who don't die before their parents. When Kate receives a phone call with news that Rosie Anderson is missing, she's stunned and disturbed. Rosie is eighteen, the same age as Kate's daughter, and a beautiful, quiet, and kind young woman. Though the locals are optimistic—girls like Rosie don't get into real trouble—Kate's sense of foreboding is confirmed when Rosie is found fatally beaten and stabbed. Who would kill the perfect daughter, from the perfect family? Yet the more Kate entwines herself with the Andersons—graceful mother Jo, renowned journalist father Neal, watchful younger sister Delphine—the more she is convinced that not everything is as it seems. Anonymous notes arrive, urging Kate to unravel the tangled threads of Rosie's life and death, though she has no idea where they will lead. Weaving flashbacks from Rosie's perspective into a tautly plotted narrative, *The Bones of You* is a gripping, haunting novel of sacrifices and lies, desperation and love. "Unusual and haunting." --Library Journal "Suspenseful and poignant." --Publishers Weekly " "A compelling debut." --Woman and Home "A star in the making." --The Daily Mail

Taking a student-centered approach to learning, CULTURAS DE ESPAÑA, 2nd Edition truly engages students with its wealth of authentic texts and visual materials while encouraging them to think critically about the cultures of Spain. Developed for Spanish students at the fifth-semester level or higher, this insightful reader makes an excellent main text in a civilization, culture, or reading course. A departure from traditional texts, which present Spanish civilization as a neutral recounting of historical facts, events, and data, CULTURAS DE ESPAÑA, 2nd Edition emphasizes that history, culture, and civilization are concepts under constant construction. An intriguing conceptual focus brings to life the history and everyday experiences that shape national identity. Nineteenth Century Collections Online: European Literature, 1790-1840: The Corvey Collection includes the full-text of more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: \* Novels and Gothic Novels \* Short Stories \* Belles-Lettres \* Short Prose Forms \* Dramatic Works \* Poetry \* Anthologies \* And more Selected with the guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods.
