As Oscar-clip-ready as Daniel Kaluuya's performance as Fred Hampton is, Judas And The Black Messiah is so much more than just a showcase for the Best Supporting (?) Actor of the year.

For use in schools and libraries only. The sisterhood of the Bene Gesserit plots to seize control of the galaxy-wide empire of their supernatural leader.

Paul Atreides, genetically bred and trained to become the leader of his planet, is still subject to human frailties. The second book of the series. Copyright © Libri GmbH. All rights reserved.

Follows the adventures of Paul Atreides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

A fan's companion to the science fiction classic includes essays; a correspondence between the author and his famous editor; the article, "They Stopped the Moving Sands," which inspired the novel; the short work, "Spice Planet"; and unpublished chapters from Dune and Dune Messiah.

A biography of the science fiction writer, presented by his son, describes Herbert's childhood in Tacoma, Washington, his early years as a reporter and editor, his military service, and his struggles to become published.

Dune messiah: "A holy war fought in space and on a thousand planets had made Paul Atreides the religious and political leader of the galaxy. The product of generations of controlled breeding, trained in the arcane disciplines by the Bene Gesserit sisterhood, he had more than human powers, including the ability to sense the shape of the future. Then the Bene Gesserit, unable to dominate the man they had made a god, set out to overthrow him. But Paul Atreides could foresee their plans and shape them to an unexpected and shocking goal..."--Dust jacket.

Explains how to develop untapped resource areas of the brain and increase your ability to think, learn, read, memorize, listen, and solve problems more creatively and efficiently

Free Play is about the inner sources of spontaneous creation. It is about where art in the widest sense comes from. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy: the joy of making art in all its varied forms. Free Play is directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity. Filled with unusual quotes, amusing and illuminating anecdotes, and original metaphors, it reveals how inspiration arises within us, how that inspiration may be blocked, derailed or obscured by certain unavoidable facts of life, and how finally it can be liberated - how we can be liberated - to speak or sing, write or paint, dance or play, with our own authentic voice. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. It brings us into direct, active contact with boundless creative energies that we may not even know we had.
