inspired by the underwater world. We know less about our oceans than we know about space. Pictures are designed to help:

- * Improve concentration through stimulating and captivating images.
- * Stimulate further learning and discovery.
- * Create new pathways in the brain through learning to trace visual patterns.
- * Acquire early life skills essential for successful learning and interaction.

Pictures within this book are accompanied by over 30 fascinating facts for the whole family to enjoy!

Through this EARTH DESIGN series (note, this is Underwater World book only,

series), your baby will be
exposed to a wide range of
sciences: mathematics,
geometry, biology, astronomy
together with history,
architecture, cutting-edge
engineering and other
aspects of our mysterious
and fascinating Universe.
These books are designed for
the adult and the baby to
enjoy together. There are
two levels of information
presented, facts for the
parent and the image for the
baby and the parent, to make
the most from the time spent
together. This book series
is designed to be handled by
adults, showing pictures to
newborn babies.
