Paper 1 Grade 12 2013 June

This work maintains the approach of the US text, Principles of Economics by Case and Fair, but with the main focus on Europe.

This is reflected in the use of the open economy approach, the use of the Euro as the standard currency, as well as providing numerous European examples and applications. Maths Boxes enable the lecturer to decide on the amount of calculus they wish to include. End-of-chapter problems with selected answers at the end of the book allow students to assess their progress.

This essential guide for curriculum developers, administrators, teachers, and education and economics professors, the standards were developed to provide a framework and benchmarks for the teaching
