Exam Board: Edexcel Level & Subject: International GCSE Biology and Double Award Science First teaching: September 2017 First exams: June 2019

Series Editor: Mark Levesley Pearson's resources are designed to be simple, inclusive and inspiring and to support students in studying for Edexcel GCSE (9-1) Chemistry.

Part of the 2nd edition (2018/2019) Edexcel GCSE (9-1) Science Lab Book series providing separate books for each of the Single Sciences (Biology, Chemistry and Physics) and one Combined Science book. Fully aligned to the Edexcel GCSE (9-1) Science specifications, the write-in Lab books cover all of the Core Practicals students are required to perform in preparation for their GCSE exams. Each 2nd edition Lab Book includes: All the instructions students need to carry out the Core Practicals with confidence and fully grasp the scientific methodology Writing frames structured around the assessment objectives to allow students to record, analyse and evaluate their results New updated practical-based exam-style questions focused on common problem areas for students A Practical Skills checklist, so that students can track the practical skills they have learnt in preparation for the exam A full list of equations that students need to learn and answers at the back Free online technician notes. All the worksheets and methods have been reviewed and checked by CLEAPSS so you can be certain the practicals work and are safe in the classroom.

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements,

Download Free Edexcel Core Science Chemistry Past Papers

summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions.

Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers.

Written by a senior examiner, Rod Beavon, and revised by George Facer, this Edexcel AS Chemistry Student Unit Guide is the essential study companion for Unit 1: The Core Principles of Chemistry. This full-colour book includes all you need to know to prepare for your unit exam: Clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index Examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required Exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade
