This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.

The Pearson Edexcel GCSE (9-1) Mathematics Purposeful Practice Book - Foundation is a brand-new kind of practice book incorporating minimal variation to bolster GCSE study in and out of the classroom. Engaging and purpose-led questions that use cutting-edge approaches to help you build your skills, confidence and understanding, and get exam-ready. Encourages progression for all with over 4,500 concise and varied questions that: - build in small steps to consolidate knowledge and boost confidence - deepen understanding by helping you connect, reason and reflect on your learning - focus on specific areas, such as strengthening problem-solving skills and strategies - help you put into practice what you've learned in different ways. Targeted exam practice with questions modified from real GCSE (9-1) papers to help you start applying what you've learned to what you might see in assessments. Includes exam feedback, with grade indicators informed by ResultsPlus data to provide meaningful insight into the level of difficulty of each exam-style question. Developed with the help of UK teachers so you can use the book flexibly alongside your current resources: in class, for homework, or independent study.
