Steven Paul "Elliott" Smith (August 6, 1969 - October 21, 2003) was an American singer, songwriter, and multi-instrumentalist. Smith was born in Omaha, Nebraska, raised primarily in Texas, and lived much of his life in Portland, Oregon, where he first gained popularity. Smith's primary instrument was the guitar, though he also played piano, clarinet, bass guitar, drums, and harmonica.

Elliott Smith - Wikipedia

Elliott Smith suffered from debilitating memories of childhood abuse and was a junkie who had quit several types of drugs simultaneously, making him even more vulnerable. All roads lead to passing away via his own hand. However, because of the fact that Smith was clean at the time of death, others amongst the fanbase believe that Chiba killed him.

The tragic death of Elliott Smith - Grunge.com

Elliott Smith Covers Project When Kill Rock Stars started working on the 25th anniversary reissue of Elliott's self titled album, we were thinking about how it could be fun to bring his music back into people's lives in a way that was bigger than sharing the original recordings.

Elliott Smith

Elliott Smith is a Los Angeles, CA native. He began acting for fun in 6 second sketches on the Vine App (2013-2016). Several of the looping videos went viral and he became known and quoted for "Hey, I think you're really cool. I Like you a lot.

Elliott Smith - IMDb

American singer-songwriter, born 6 August 1969 in Omaha, Nebraska, USA and died 21 October 2003 in Los Angeles, California, USA.

Many albums could be cited to support the claim that great suffering yields great art. Elliott Smith's *XO* should not be one of them. Smith's 1998 major label debut defies the "tortured singer-songwriter" stereotype, and takes up this defiance as a central theme. At a time when Smith was being groomed for a particular (and particularly condescending) brand of stardom, he produced a record that eviscerated one of the central assumptions of singersongwriterdom: that pain is beautiful. *XO* insists that romanticizing personal tragedy can only leave you "deaf and dumb and done." And it backs up this claim with some of the most artful and intelligent music of its day. Matthew LeMay writes an original take on a widely beloved album, steering clear of the sensationalist suicide angles that have dogged most analysis of Elliott Smith's extraordinary work.

A definitive portrait of the troubled singer/songwriter combines two hundred close-up photographs and interviews with those who knew him best to chronicle his influential musical career and often turbulent life, including his tragic death in 2003, in a volume enhanced by ephemera, handwritten lyrics, and a live CD of unreleased solo acoustic performances. 20,000 first printing.

Best known for his Oscar-nominated song "Miss Misery" from the Good Will Hunting soundtrack, Elliott Smith was catapulted to the status of indie rock star after performing at the 1997 Academy Awards. Some of his albums, *XO* and *Either/Or* among them, would become '90s classics, helping to define an understated aesthetic that owed as much to the melodic emphasis of The Beatles as it did to punk. In the afterglow of the success of "Miss Misery," Smith's fame grew--alongside his struggles with depression and substance abuse. First relocating to Brooklyn, and then finally to L.A., he fell into a downward spiral evident to friends and fans alike, even as he continued to write such beautifully realized songs as "Waltz #2" (*XO*). Drawing on new interviews with those who knew and loved Smith, and focusing on the crucial interplay between Smith's life and music, Ben Nugent compellingly and sympathetically portrays an enormously gifted, yet troubled, artist.

Elliott Smith was one of the most gifted songwriters of the nineties, adored by worshipful fans for his subtly melancholic words and melodies. The sadness had its sources in the life. There was trauma from an early age, years of drug abuse and a chronic sense of disconnection that sometimes seemed almost self-engineered. Smith died violently in Los Angeles in 2003, under what some believe to be questionable circumstances, of a single fatal stab wound to the chest. By this time fame had found him, and record buyers who shared the listening experience felt he spoke directly to them from beyond: lonely, lovelorn, frustrated, fighting until he could fight no more. And yet, although his achingly intimate lyrics carried the weight of truth, Smith remained unknowable. In *Torment Saint*, William Todd Schultz gives us the first proper biography of the rock star, a decade after his death, imbued with affection, authority, sensitivity and long-awaited clarity. *Torment Saint* draws on Schultz's careful, deeply knowledgeable readings and insights, as well as on more than 150 hours of interviews with close friends, lovers, bandmates, peers, managers, label owners, and recording engineers and producers. This book unravels the remaining mysteries of Smith's life and his shocking, too-early end. It will be an indispensable examination of his life and legacy, both for Smith's legions of fans as well as readers still discovering his songbook.

Previously unpublished interviews with family members and close friends of the late Elliott Smith illuminate the singer and songwriter's brief life, from his Texas roots to his death in Los Angeles. 50,000 first printing.

(Guitar Recorded Versions). A fixture on the Portland indie music scene, singer-songwriter Elliott Smith was introduced to the mainstream via his Oscar-nominated song "Miss Misery" from the Good Will Hunting soundtrack. This collection features that song and 17 others, from his first CD, through tracks released after his tragic and untimely death. Includes: Angeles * Clementine * Everything Means Nothing to Me * Pretty (Ugly Before) * Say Yes * Son of Sam * Waltz #2 (*XO*) * and more, plus a discography and an intro.

By his untimely death at 34, Elliot Smith had contributed more to the indie music scene than almost any artist. Despite of all he contributed, there is little known about him. This book examines his life, his music, his death, and his legacy. LifeCaps is an imprint of BookCaps™ Study Guides. With each book, a lesser known or sometimes forgotten life is recapped. We publish a wide array of topics (from baseball and music to literature and philosophy), so check our growing catalogue regularly to see our newest books.

Many albums could be cited to support the claim that great suffering yields great art. Elliott Smith's XO should not be one of them. Smith's 1998 major label debut defies the "tortured singer-songwriter" stereotype, and takes up this defiance as a central theme. At a time when Smith was being groomed for a particular (and particularly condescending) brand of stardom, he produced a record that eviscerated one of the central assumptions of singersongwriterdom: that pain is beautiful. XO insists that romanticizing personal tragedy can only leave you "deaf and dumb and done." And it backs up this claim with some of the most artful and intelligent music of its day. Matthew LeMay writes an original take on a widely beloved album, steering clear of the sensationalist suicide angles that have dogged most analysis of Elliott Smith's extraordinary work.

The Essential Elliott Smith is an exclusive collection of songs by the master songwriter and guitarist. This book presents 24 classic songs from all five of his albums, plus songs from the two posthumous releases, From A Basement On The Hill and New Moon including the Oscar-nominated song Miss Misery, which featured on the soundtrack of the film, Good Will Hunting. Arranged for Guitar TAB and standard notation, with chord boxes and complete lyrics. The death of singer-songwriter Elliott Smith has been an open case for the last eighteen years. The Oscar-nominated musician died of two stab wounds in the chest after a fight with his girlfriend Jennifer Chiba on October 21st, 2003. Even though his death was first reported by the media as an alleged suicide, a police investigation was reopened after the results of the autopsy were made public. Because of Elliott's history with drug addiction, depression, and suicide ideation, it was not difficult for many people, fans included, to believe he had killed himself. However, the circumstances of his death, the findings of the autopsy, as well as a series of inconsistencies and discrepancies have left open the possibility of homicide.The book is written from the perspective of Alyson, a real-life fan who undergoes her own investigation, motivated by her sense of justice and desire to determine the truth. If the exact circumstances of Elliott Smith's tragic death cannot be established beyond a reasonable doubt, after some persistent and in-depth research of the case and the insight of more than 40 people, the story that emerges is quite different from the one that has been too often portrayed in the media. Even though Elliott had well-documented problems, the events surrounding his death appear to be much murkier than previously thought, making it more difficult to believe his death was a clear-cut suicide.
