From New York Times Bestseller Mimi Jean Pamfiloff comes SMART TASS, a new Romantic Comedy. He's the hot college quarterback all the girls want. She's the smart girl he loves to pick on. And now that they're all grown up, things are about to get geekin' ugly. My name is Tass. I'm smart, I'm driven, and I am determined not to let prankster Hunter Johnson continue raining on my parade. When we were little, he'd pull my hair and call me names. When we were teenagers, he'd throw food and tease me for being a flat-chested virgin. But now that we've ended up at the same college, he's out of his hot head if he thinks he can keep

Dette er bogen, alle bil-nørder har gået og manglet. En humoristisk perle udelukkende med bilen som omdrejningspunkt. Den indeholder skrevne vittigheder om biler, fun-facts om biler, kendte folks citater om biler, musik tilegnet biler, Kungfutses morsomme "visdomsord" om biler - og ikke mindst en masse tegnede vittigheder om biler. Det er tydeligt, bilerne er i højsædet - tegnet med en kærlighed og omhyggelighed, man sjældent ser i vittigheds-genren i dag. Her finder du timevis af læsning og underholdning i verdensklasse. Et "must have" for alle bilelskere. Al tekst er på engelsk.

Focusing upon the experiences of ethnoracial minorities, particularly African Americans and Mexican immigrants, in Austin, Texas, during the first three decades of the twentieth century, this book sheds new light on the issues of migration, proletarianization, marginalization, adaptation, identity, and community. As well as providing a textured depiction of minority group responses to life in a racially-stratified society, it offers a ground-breaking exploration of the ambivalent relationship between blacks and Latinos in modern America.
