Whether it's the rule-defying lifer, the sharp-witted female newshound, or the irascible editor in chief, journalists in popular culture have shaped our views of the press and its role in a free society since mass culture arose over a century ago. Drawing on portrayals of journalists in television, film, radio, novels, comics, plays, and other media, Matthew C. Ehrlich and Joe Saltzman survey how popular media has depicted the profession across time. Their creative use of media artifacts provides thought-provoking forays into such fundamental issues as how pop culture mythologizes and

demythologizes key events in journalism history and how it confronts issues of race, gender, and sexual orientation on the job. From *Network* to *The Wire*, from Lois Lane to Mikael Blomkvist, *Heroes and Scoundrels* reveals how portrayals of journalism's relationship to history, professionalism, power, image, and war influence our thinking and the very practice of democracy.

Lawless unveiled their plans, the merciless hypercorp now consider Badrock a liability and are preparing to quietly wipe the frontier town and all its residents off the map! Unfortunately the residents in question are an uncooperative and pugnacious group of Muties, Meks, Humans and Uplifted Gorillas who have just been permanently removed from Munce Inc.'s employee roster - getting them to work together for survival will be no easy task! Metta and her disparate band of peace-keepers must get the locals to put aside their differences and fight against the corporate threat, before they lose more than just their jobs...

tipped halo. From his earliest days battling "crooks, blood suckers, traders in vice and damnation" (and cracking the occasional safe on the side), the Saint has captured the imaginations of millions. Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar, alias "The Saint," in other media, a detailed history emerges. Includes plot synopses of the radio and television programs, with air dates and production credits; descriptions of the movies and their credits; a bibliography, reviews of the books, and quotes from the principals.

detective series - Agent Brinkmann's death is investigated by a journalist who uncovers more than he initially suspected. The year is 2096 and Earth has been reduced to an uninhabited wasteland. What was left of humanity was evacuated into overpopulated space stations, or 'Habitats'. Nolan Maslow, a journalist working for The Herald, is investigating the death of HSD agent Brinkmann and the sect that has infiltrated the maintenance workers of Ludmilla Habitat. He will find out that even his most outrageous theories cannot encompass what is actually happening behind the scenes of the habitat. Taking place during the events of Brink Book One, this graphic novel adds extra layers to the story of Bridget Kurtis and her ongoing fight against the forces which are haunting the remains of humanity and driving them to madness.
