Real examples. Real companies. Real business decisions. Covering the core economics principles and providing engaging, relevant examples within just nineteen Chapters, Hubbard Essentials of Economics is the perfect

Read Online Engineering Economy 7th Edition

teaching and learning resource for a
one semester unit. The authors
present economics as a dynamic,
relevant discipline for Australasian
students. The key questions students
of first year economics ask
themselves are: `Why am I here? ’
and “ Will I ever use this? ’ Hubbard

Read Online Engineering Economy 7th Edition

Essentials of Economics answers
these questions by demonstrating
that real businesses use economics to
make real decisions every day. Each
chapter of the text opens with a case
study featuring a real business or real
business situation, refers to the study
throughout the Chapter, and

Read Online Engineering Economy 7th Edition

concludes with An Inside Look—a news article format which illustrates how a key principle covered in the Chapter relates to real business situations or was used by a real company to make a real business decision.
