English Is Not Easy: A Visual Guide to the Language ...

What makes English difficult to learn?
Spelling: The spelling of English words is particularly difficult because the English alphabet has only 26 letters yet there are 44 sounds. For this reason English has phonemes which are 2 or 3 letters working together to represent a sound.

It makes sense that English would be relatively easy to acquire seeing how quickly and easily it has spread across countries, throughout history. China is a major player right now, but you don't see masses of foreigners just picking up Chinese all over the world. Because the language is not easy and amenable to non-native speakers. Unlike English.

Why English is Easy is not a language course. It's an approach to learning English. You'll pick up simple shortcuts you can use to be confident at speaking English even if you don't have a complete vocabulary and perfect grammar. My approach to learning languages is to speak from day one.

Why English is Easy | Fluent in 3 Months

Any language on the planet has something unique about it, and the fact of the matter is that we can find all the reasons in the world why it's very difficult to for us to learn English. There's irregular verbs, irregular nouns, thousands upon thousands of phrasal verbs, hundreds of grammar rules and exceptions to those rules, spelling irregularities – the list goes on and on, and if we choose to go with this perceived difficulty of the language, then I can't see any reason why I ...

Easy English - YouTube

The question of the title is yet more difficult to answer because whether a language is considered easy or not depends to a large extent on the learner's mother tongue. It is certainly easier for a Dutch child to learn English than a Japanese. I see evidence of this every day in my teaching.

Is English an easy language?

It is extremely easy to read as the sentences are short and without any overly difficult words. Many working English learners will relate to it as it explains the absurdities of modern office life and how so little of it makes sense.

Old English did not sound or look much like the English spoken today. If English speakers today were to hear or read a passage in Old English, they would understand just a few words. The closest language to English that is still used today is Frisian , spoken by about 500,000 people living in the Netherlands , Germany and Denmark .

En la vida hay quienes tienen facilidad para cocinar, cantar o hablar otra lengua, aunque también existen los que queman hasta el agua, los que desafinan incluso cuando tararean o los que a pesar de poner todo su esfuerzo --y dinero-- no logran aprender otro idioma. Es muy probable que si tú tienes este libro entre las manos pertenezcas al último tipo de personas y estés harto de no avanzar. Luci Gutiérrez, la ilustradora estrella de publicaciones como The New Yorker y The New York Times, tenía el mismo problema y, a pesar de tomar cursos de verano, contratar a todos los profesores disponibles o viajar hasta el corazón mismo de la Gran Manzana para aprender in situ, todo parecía cada vez más confuso, así que comenzó a dibujar sus lecciones para recordarlas con facilidad. English Is Not Easy enlaza con extraordinario sentido del humor situaciones, dibujos y conceptos para que pases un rato genial mientras descubres que el inglés no es tan

teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more.

A cheeky, sophisticated, and strikingly illustrated guide that leaves generic English reference books in the dust. When prominent Barcelona-based illustrator Luci Gutiérrez found herself tuning out in English class, she used her love of drawing to help retain what she'd learned. Ditching the kind of bland and useless phrases that fill most English textbooks, Gutiérrez uses whimsical characters, cheeky dialogue, and even insults to bring vocabulary, grammar, and usage topics to life. Nearly forty-seven million people in the United States speak a language other than English at home, and even most native speakers struggle with subtle distinctions, such as when to use "whether" as opposed to "if." (For example: I wonder whether I should have added a little more poison to his tea.) Already published to wide acclaim abroad, *English Is Not Easy* is sure to delight grammar mavens and students of English in America.

This book, the first in a series, should be

Bookmark File PDF English Is Not Easy

the first novel you read in French! Reading a book in French can be difficult, even for advanced students. French novels are usually full of idiomatic expressions. They use complicated tenses, complex sentence structures, and often slang. This book is in simple French. It's about the joys and the frustrations of an adult learning French. It includes a good dose of humor, a few exercises, and illustrations. Note: this book contains adult language. A school edition of the book without adult language entitled *Oh Là Là, It's Not Easy Learning French* is also available on Amazon. The book has two sections, allowing more levels of French students to enjoy it. Section 1 has the story written completely in French, and includes grammar exercises. Section 2 contains a list of the more difficult vocabulary translated into English and the complete text in English so students can check their comprehension.

The Anarchist's Guide to Grammar: "Banish the "rules" of grammar in the U.S.!" is the revolution called for by author Val Dumond. "Scary? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" lies in some mysterious place, written by some mysterious authority; 3) that

Bookmark File PDF English Is Not Easy

one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing Introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out. Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes

Bookmark File PDF English Is Not Easy

understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in The Anarchist's Guide to Grammar: toss out the assumptions, clarify them, pick up some basic, helpful guidelines,

Bookmark File PDF English Is Not Easy

and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory pattern presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly

Bookmark File PDF English Is Not Easy

draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing!

Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribs - No Assistants - Large Fonts Make the Text Easy to Read - Can Be Performed Stand-Alone or with Other Book Tests

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike."

-- Robert McCrum, author, The Story of

Bookmark File PDF English Is Not Easy

English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

An ideal book for building vocabulary and teaching key words in both Spanish and English languages These cuddly and instructive books present important early concepts. "Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU, I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... Students will find English Grammar (Simple, Practical yet Comprehensive) very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's)

initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College, Chennai

Life is simple, it's just not easy. An old saying with a timeless truth. Most people are trying to figure out life while it's passing them by. They want to be successful but find themselves barely keeping their head above the water of busyness. Why does it seem so hard to move from surviving to thriving in life? Could it be that there is a simple, yet profound secret to living in the sweet spot of God's design? Could there be a method of experiencing life to the fullest? The answer is yes! When we devote ourselves to the life we are called to have, we experience the life we were meant to live. In this book, I break down four keystone traits that are essential

Bookmark File PDF English Is Not Easy

to living a highly energized life. You will receive a winning game plan filled with scriptures to live by. Get ready to take a journey through L.I.F.E. the way God intended.
