Feeling stuck and overwhelmed by society's pressures, how can we learn, in today's fast paced and results driven world, to truly dream beyond shadows? Having touched the hearts of readers across the globe, Dream Beyond Shadows has now been published in its second edition, to celebrate the raw and compelling art of storytelling inscribed in its pages. This book chronicles a turning point in the author's life, a moment when he decided to turn against the current of his life and move in the opposite direction of social expectations and his own conditioned fears. It's the story of an adventure that leaves behind the hustle and bustle of New York City, winds along the Ayahuasca vine through the tribal magic of shamanic ceremonies in the Amazon jungle, into the Incan legacy of Peru's Sacred Valley and the sublime energy of the megalithic Machu Picchu. The author wrote this book to share that it's possible for anyone to break away from time-bound limitations and relinquish the grip of the past. We can all take that first step, to embrace this extraordinary life in all its darkness and beauty—beyond the land of shadows.
