Grammarway with answers is a series of four books for self-access study and/or classroom use. Grammarway with answers contains a full key to all the exercises and is an ideal supplement to any main coursebook of English language learning at secondary level. The two versions of Grammarway are not interchangeable.

Enterprise 3, Enterprise plus Pre-Intermediate and Enterprise 4 each consist of four modules and are designed for learners of English at secondary level. The coursebooks are designed to provide systematic preparation in all the skills required for successful communication, both in written and spoken form. The material is clearly structured and easy to use. The Student's Book and the Workbook for each level are designed to be covered in approximately 100 to 120 hours of classroom work.

Sail Away! 1 and 2 are designed for pupils learning English at primary level. In this series, we are reunited with the characters introduced in the Set Sail! series. Sail Away!'s pupil-centred approach ensures young learners' motivation and entertainment through a wide variety of activities designed to exploit all four skills, thus providing a solid foundation for language learning. Each level of the Sail Away! series consists of five modules. The Pupil's Book and the Activity Book are designed to be covered in 70 hours of classroom work.

Colourful boxes and tables present language clearly Lively, illustrated exercises and games make practice fun and effective Pre-tests identify students difficulties Regular revision sections and progress tests consolidate language learning CD-ROMs provide more grammar practice and games Teachers Guide includes answer keys and extra photocopiable test
